## **The Magic Of Woody Allen:**

**The magic of Woody Allen** Diane Jacobs, 1978      **But We Need the Eggs** Diane Jacobs, 1982      *The Reluctant Film Art of Woody Allen* Peter J. Bailey, 2016-05-27 For five decades no American filmmaker has been as prolific or as paradoxical as Woody Allen From *Play It Again Sam* 1972 to *Midnight in Paris* 2011 and *Blue Jasmine* 2013 Allen has produced an average of one film a year yet in many of these movies Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists In this second edition Peter J Bailey extends his classic study to consider Allen's work during the twenty first century He illuminates how the director's decision to leave New York to shoot in European cities such as London Paris Rome and Barcelona has affected his craft He also explores Allen's shift toward younger actors and interprets the evolving critical reaction to his films authoritatively demonstrating why the director's lifelong project of moviemaking remains endlessly deserving of careful attention

**The Films of Woody Allen** Charles L. P. Silet, 2006 From *What's Up Tiger Lily* to *Match Point* Woody Allen's work has generated substantial interest among scholars and professionals who have written extensively about the director In *The Films of Woody Allen Critical Essays* Charles L P Silet brings together two dozen scholarly articles that address the core of Allen's work from a variety of cultural and theoretical perspectives With a special emphasis on his films of the 1980s this collection includes both general essays that examine various themes and issues encompassed in Allen's repertoire as well as discussions that focus on one or two specific films General essays explore Allen's Jewish background as a religious and cultural facet his apparent love affair with New York City and his relation to various strains of humor particularly American film humor but also Allen's broad use of such traditional comic tropes as irony and parody The essays on individual films include examinations of some of Allen's most significant work including *Love and Death* *Annie Hall* *Interiors* *Crimes and Misdemeanors* *Hannah and Her Sisters* *Manhattan* and *Shadows and Fog* A number of the articles collected here were originally published in now hard to locate places while others were selected from journals not usually associated with film studies The result is an anthology of essays that presents an overview of the central issues raised by Allen's body of work as well as a close examination of fourteen individual films that convey these larger themes A wide ranging exploration of one of America's most innovative and productive modern directors this book should appeal to both professionals and students of contemporary film comedy

**Woody Allen** Patrick McGilligan, 2025-02-04 Woody Allen was once made a knight commander by France but he didn't know because the paperwork got lost in the mail A decade later he found out about the award by reading about it in the *New York Times* Across nearly nine eventful decades Allen's life has been full of surprises Writing jokes got him a gig as the youngest writer of Sid Caesar's television dream team As a rising comic he boxed a kangaroo on TV He made a blank check deal with a major studio for terms unmatched in Hollywood apart from early titans like Chaplin and Welles All before *Annie Hall* Yet despite once being one of the most consequential American cultural figures Allen is now persona non grata In this judicious biography acclaimed biographer Patrick

McGilligan charts the meteoric rise and fall of the comedian whose nonconformity proved both his secret genius and Achilles heel Drawing on meticulous research McGilligan reconstructs Allen s Brooklyn boyhood his salad days as a television comedy writer his rise to stand up and the thoughtful award winning filmmaking of his golden years in the 1970s and 80s His messy relationships with wives and girlfriends including Annie Hall costar Diane Keaton were essential to his artistic development and undoing Yet no one could have predicted his tumultuous personal and professional relationship with actress Mia Farrow his alleged abuse of their adopted daughter Dylan and his subsequent marriage to Mia s daughter Soon Yi Previn In this comprehensive sweeping and rigorous account of Allen s life and career McGilligan astutely reveals the writer s writer beyond the smoke and controversy and paints a compelling portrait of the most creative productive and influential filmmaker of his time

*Woody Allen* Vittorio Hösle, 2007 In this extended essay Vittorio Hösle develops a theory of the comical and applies it to interpret both the recurrent personae played by Woody Allen the actor and the philosophical issues addressed by Woody Allen the director in his films Taking Henri Bergson s analysis of laughter as a starting point Hösle integrates aspects of other theories of laughter to construct his own more finely articulated and expanded model With this theory in hand Hösle discusses the incongruity in the characters played by Woody Allen and describes how these personae are realized in his work Hösle focuses on the philosophical issues in Allen s major films by exploring the identity problem in *Play It Again Sam* and *Zelig* the shortcomings of the positivist concept of reality in *A Midsummer Night s Sex Comedy* the relation between reality and art in *The Purple Rose of Cairo* the objective validity of morality in *Crimes and Misdemeanors* the power of evil in *Shadows and Fog* and the relation between art and morality in *Bullets over Broadway* He cites Allen s virtuosic reinterpretation of older forms of expression and his integration of the fantastic into the comic universe elements like the giant breasts anxious sperm extraterrestrials ghosts and magicians that populate his movies as formal moves akin to those of Aristophanes Both an overview of Allen s work and a philosophical analysis of laughter Hösle s study demonstrates why Allen s films have more to offer us morally philosophically and artistically than just a few laughs In *Woody Allen* Vittorio Hösle goes a long way toward explaining everything you wanted to know about Allen but were afraid to ask Just why exactly is he funny and why does his humor have a strong appeal for academics In his comprehensive analysis of Allen s work Hösle outlines a workable theory of humor illustrates his conclusions by referring to the films and prose and points out several philosophic motifs underlying Allen s deceptively complex comedies Hösle s work elevates the enjoyment of Allen s films from guilty pleasure to satisfying intellectual engagement with an intriguing contemporary thinker and artist Richard A Blake S J Boston College Vittorio Hösle presents a compelling overview of Allen s work in which he discusses different theories of laughter and argues for the priority of the incongruity theory as the only one able to answer the normative question what distinguishes good from bad laughter On this theoretical basis he goes on to delve into both the humor and the philosophical profundity of Allen s films Sander Lee Keene State College
