## The Making Of A Mistress:

*The Making of a Mistress* Kim Knight, 2012-12 The story of Faith the woman who has stalked the pages of Kim's Unchained novels and how she comes to reach a sort of peace with Claudia Plenty of male dom and great girl on girl with lashings of BDSM     The making of a mistress Nancy Greenwald, 1977     *Women Workers* National Council of Women of Great Britain, 1895     The Making of a Mistress Linda Rae Sande, 2022-10-06 A sensual tale of what happens when two lonely agents embark on their own mission before the real one begins An agent of the Home Office Miss Daisy Albright has volunteered to assist in exposing the man behind a smuggling ring operating in Yorkshire Her assignment will require she become the mistress of the suspect Trouble is she has no experience as a courtesan Willing to sacrifice her virtue and learn what she must for the Crown Daisy has a Foreign Office operative in mind to teach her what a man wants in a mistress As the captain of the ship that will search for the smugglers from the water he'll be just as invested as she is in the operation She even knows where they can meet to be assured of privacy the Soho Club Now if only she can convince Alex Bradley to execute her plan He's positively appalled at learning what she wants him to do at first He might act like a rogue when he's in his guise as Captain Jack Crawley captaining a ship of pirates in pursuit of smugglers and illegal traders But is he really too much of a gentleman to help in *The Making of a Mistress*     *The Making of a Mistress: Unchained Series - Book 5* Kim Knight, 2020-09-22 Kim's latest novel traces the rise of Faith through the sm community to a position of unparalleled power and then her fall In a graphic history of injustice and dark peril Faith's strength of character propels her onwards in a quest for Claudia the woman she loves In her way are dominant men and beautiful submissives     *Telltale Women* Allison Machlis Meyer, 2021 *Telltale Women* fundamentally reimagines the relationship between the history play and its source material as an intertextual one presenting evidence for a new narrative about how and why these genres disparately chronicle the histories of royal women Allison Machlis Meyer challenges established perceptions of source study historiography and the staging of gender politics in well known drama by arguing that chronicles and political histories frequently value women's political interventions and use narrative techniques to invest their voices with authority Dramatists who used these sources for their history plays thus encountered a historical record that offered surprisingly ample precedents for depicting women's perspectives and political influence as legitimate and writers for the commercial theater grappled with such precedents by reshaping source material to create stage representations of royal women that condemned queenship and female power By tracing how the sanctioning of women's political participation changes from the narrative page to the dramatic stage Meyer demonstrates that gender politics in both canonical and noncanonical history plays emerge from playwrights intertextual engagements with a rich alternative view of women in the narrative historiography of the sixteenth and seventeenth centuries     **Sexual Types** Mario DiGangi, 2011-11-29 Sexual types on the early modern stage are at once strange and familiar associated with a range of unnatural or monstrous sexual and gender practices yet familiar because readily

identifiable as types recognizable figures of literary imagination and social fantasy From the many found in early modern culture Mario DiGangi here focuses on six types that reveal in particularly compelling ways both individually and collectively how sexual transgressions were understood to intersect with social gender economic and political transgressions Building on feminist and queer scholarship *Sexual Types* demonstrates how the sodomite the tribade a woman loving woman the narcissistic courtier the citizen wife the bawd and the court favorite function as sites of ideological contradiction in dramatic texts On the one hand these sexual types are vilified and disciplined for violating social and sexual norms on the other hand they can take the form of dynamic resourceful characters who expose the limitations of the categories that attempt to define and contain them In bringing sexuality and character studies into conjunction with one another *Sexual Types* provides illuminating new readings of familiar plays such as Shakespeare's *A Midsummer Night's Dream* and *The Winter's Tale* and of lesser known plays by Fletcher Middleton and Shirley *Shakespeare's History Plays: Richard II to Henry V, the Making of a King* C W R D Moseley, 2016-10-09 Part I provides some contexts for what is inevitably our reading of the history plays so that perhaps we may guess at the impact they may have had on their contemporaries The author suggests by implication a way of approaching Elizabethan drama that may be generally useful Part II is a consideration of what the author thinks are some major issues in the Ricardian plays **Mistresses Collection** Janette Kenny, Lynne Graham, Annie West, Trish Morey, Chantelle Shaw, Melanie Milburne, Lucy Monroe, Abby Green, Sabrina Philips, Sandra Marton, Leanne Banks, Susanna Carr, Michelle Celmer, Caitlin Crews, Cathy Williams, 2020-10-01 *The Mistresses Collection from Mills Boon* **Supreme Ruler Part 1** Joel Gally, 2024-06-06 Xian is a world of corruption A failed rebellion and a country in turmoil with a people struggling to hold on It is a land of opportunity only for those who hold the dollars to pursue In these troubled times a soldier appears with his own mission Unbeknownst to him he meets a woman who has grown tired of this way of life After a night of fornication and bliss he awakens to learn of a murder that took place the previous evening Their own devices a mystery to each other they set out to bring the one who did this nefarious deed to justice On the other side of this excursion is an evil diva who enjoys this way of existence and profits off the misery of her own world She and her ladies go to prison after a heist goes awry It is here that they escape and set out to bring revenge on those responsible *Supreme Ruler* is all about perspective and it is that way that drives the plot creating an intoxicating mix of sex violence and modern action **The Outlook** Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1899 **Works** William Shakespeare, 1880 English Novel Frank Northen Magill, 1981 The TV-TS Tapestry , 1988 **The Works of George Chapman** George Chapman, 1889 *The Irish Church directory* , 1898 The Vicar of Wakefield Oliver Goldsmith, 1895 **Peterson's Magazine** , 1877 *Statutes of the Province of Quebec* Québec (Province), 1870 *The Complete Dramatic and Poetical Works of William Shakespeare* William Shakespeare, 1881
