## **The Man Branded:**

Male Idols and Branding in Chinese Luxury Amanda Sikarskie, Lan Lan, Peng Liu, 2022-12-29 Challenging the Western view of idols as objects of worship this book explores the role that male idols play in fashion and cosmetics brand marketing in mainland China Hong Kong and Macau including the role of the female gaze It examines idols in the more modern pan Asian sense of the word as objects of social devotion worshipped by the adoring masses and in China and Korea as objects of social and moral uplift The contemporary idol wields great power the power to influence taste and to sell and Male Idols and Branding in Chinese Luxury focuses on their ability to arouse the consumer appetite to buy In China popular culture idols play a vital role in the luxury fashion and cosmetics industries as brand ambassadors and this volume fills a critical gap in the English language literature on this key element of the marketing industry bringing together authors from the United States and China and featuring case studies on idols Wang Yibo and Xiao Zhan Through considering the subtleties of branding and marketing in China Korea and Japan and the relationship of Chinese idols to fans and consumers in other Asian countries the authors delve into brand idol collaborations particularly through lenses of brand image and toxic fan culture Women Who Brand Catherine Kaputa, 2014-09-22 Today self branding is not an option it s something women need to master After what s holding women back from career success is that we don t brand ourselves as well as men do Women Who Brand is about what happens when women take charge of their personal brands and performance success It s about what happens when women start thinking and acting more confidently more creatively and more strategically about themselves and their abilities

**Expecting Brand's Baby** Emilie Rose, 2025-02-11 THE COWBOYWHO FOLLOWED HER HOME With his whiskey rough voice and mesmerizing eyes Brand Lander wasn t the careless rodeo rider fiercely independent Toni Swenson needed for a one night baby making session But she was powerless to resist the sexy stranger and when the fantasy filled deed was done she skipped town hoping for a tiny miracle Once Brand tracked his blue eyed seductress down and learned of her quest to secure her inheritance he swore there was no way he would head for the hills if his little cowpoke was growing in her belly So he marched Toni down the aisle claimed equal partnership in her spread and fought to rein in the frenzied desire and exquisite tenderness she aroused in him But some things can t be controlled **Maschinen für die Oper. Der Komponist Max Brand**

Elisabeth Schimana, 2016-05-23 Als Zeitgenosse von Arnold Schönberg und Kurt Weill war Max Brand eine Figur zwischen Spätromantik Futurismus und aufbrechendem Elektronikzeitalter Der Kulturbruch durch die Nationalsozialisten vor denen er ab 1937 aus Wien floh und schließlich in Rio de Janeiro landete setzte einer viel versprechenden Karriere als Opernkomponist ein Ende 1940 siedelte er sich in New York an wo er seinen Visionen einer elektronischen Musikmaschine für die Bühne nachging Viele Versuche führten nicht weiter einer davon war ein optischer Synthesizer mit selbstgezeichneten Kurvenformen schließlich das Moogtonium ein an das Mixturtrautonium Oskar Salas angelehnter von Robert A Moog gebauter Synthesizer Die Entwicklungsarbeit an der Maschine zog sich viel zu lange hin sodass Brand seinen Traum ein

elektronisches Ein Mann Orchester für die Opernbühne zu haben nie realisieren konnte 1975 kehrte er nach Österreich zurück wo er in Langenbrunn lebte und 1980 verstarb As a contemporary of Arnold Schönberg and Kurt Weill Max Brand was a figure shaped by late romanticism futurism and the early electronic age The cultural upheaval caused by the Nazis from whom he fled from Vienna to Rio de Janeiro in 1937 put an end to a very promising career as an opera composer In 1940 he settled in New York where he worked to realize his visions of an electronic music machine for the stage There were many attempts which all fell short one of these was an optical synthesizer with waveforms he drew himself and finally the Moogtonium a synthesizer based on Oskar Sala's Mixtur Trautonium and engineered by Robert A Moog But development took much too long and Brand was never able to fulfill his dream of an electronic one man orchestra for the opera stage In 1975 he returned to Austria where he lived in Langenbrunn until his death in 1980 *Strong Brands, Strong Relationships* Susan Fournier, Michael Breazeale, Jill Avery, 2015-06-12

From the editor team of the ground breaking Consumer Brand Relationships Theory and Practice comes this new volume Strong Brands Strong Relationships is a collection of innovative research and management insights that build upon the foundations of the first book but takes the study of brand relationships outside of traditional realms by applying new theoretical frameworks and considering new contexts The result is an expanded and better informed account of people's relationships with brands and a demonstration of the important and timely implications of this evolving sub discipline A range of different brand relationship environments are explored in the collection including online digital spaces consumer collectives global brands luxury brands branding in terrorist organizations and the brand relationships of men and transient consumers This book attends to relationship endings as well as their beginnings providing a full life cycle perspective While the first volume focused on positive relationship benefits this collection explores dysfunctional dynamics adversarial and politically charged relationships and those that are harmful to well being Evocative constructs are leveraged including secrets betrayals anthropomorphism lying infidelity retaliation and bereavement The curated collection provides both a deeper theoretical understanding of brand relationship phenomena and ideas for practical application from experiments and execution in commercial practice Strong Brands Strong Relationships will be the perfect read for marketing faculty and graduate students interested in branding dynamics as well as managers responsible for stewarding brands *A History of the Ancient Working People* Cyrenus Osborne Ward, 1889
