The Maple Still Stands:

Sam Hill's Peace Arch Richard Clark, 2005 Standing but a stone's throw from the continent's western shoreline Samuel Hill a Quaker devoted to peace and a road builder rolling in wealth addressed 4 000 celebrants gathered at the United States Canada border on the Fourth of July 1915 There they celebrated a century of international peace and the opening of the Pacific Highway now known simply as the I 5 As the ceremony closed one member of the crowd stood and proposed construction of an international arch of peace at the site whereon they stood Hill agreed and acted upon the proposal Six years later on September 6 1921 Samuel Hill stood before a crowd estimated at 10 000 or more and dedicated the International Peace Arch to the cause of world peace War satisfies neither the victors nor the vanquished he said opening his dedicatory address Perfect peace alone satisfies For more than 80 years the Peace Arch has stood between freeway lanes where millions of travelers heading south into Washington state or north into British Columbia have seen it as a symbol of peace resident of Blaine Washington whose home is but one block from Peace Arch State Park completed an exhaustive manuscript after fifteen years of research The Peace Arch standing on beautiful international parkland has also been enshrouded with myths and mysteries that Clark has uncovered in the course of his research Peace Arch devotees long forgotten have been restored to remembrances they have long deserved Vital facts long lost have been recovered and given merited recognition The Peace Arch has been the setting of devotion and demonstrations queens and quarrels marriages and marching bands But in its history so notably marked by variation ranging from violence to indifference peace has remained its ongoing theme Thinking about Nature (Routledge Revivals) Andrew Brennan, 2014-07-16 Ecology unlike astronomy physics or chemistry is a science with an associated political and ethical movement the Green Movement As a result the ecological position is often accompanied by appeals to holism and by a mystical quasi religious conception of the ecosystem In this title first published in 1988 Andrew Brennan argues that we can reduce much of the mysticism surrounding ecological discussions by placing them within a larger context and illustrating that our individual interests are bound with larger community interests Using an interdisciplinary approach which bridges the gap between the sciences philosophy and ethics this is an accessible title which will be of particular value to students with an interest in the philosophy of environmental science and ethics

Records and Briefs of the United States Supreme Court, 1913 *Poet in the Grandstand* Thomas Porky McDonald, 2010-11-18 In the area of ballpark hopping there have been a number of accounts written recorded or talked about in recent times sometimes for a cause or others just as a gimmick Through *Poet in the Grandstand* poet and writer Thomas Porky McDonald gives us a most unique twist on a preoccupation which has grown in the past few decades in the wake of the closings of classic old yards and the birth of the more entertainment and nostalgia driven open air parks From his first trip in 1990 to the fabled Comiskey Park of Shoeless Joe Jackson Bill Veeck and the Go Go Sox on through to the 2010 opening of Minnesotas fabulous Target Field featuring the modern M M Boys Joe Mauer and Justin Mourneau

McDonald offers up a book that is part travelogue and part poetic tribute to all the places that men and women have gone to over the years for a very personal sense of joy This journey done methodically over two decades picks up steam as the chapters begin to flow The effect of McDonald himself clearly growing as a poet through the years is accentuated by the fact that more and more pieces are written in the later trips The end result is a most interesting volume of not just ballpark but Americana as numerous attractions taken in during those ballpark weeks and weekends are also noted and or dissected For fourteen seasons on his own and then six more accompanied by friend and confidant Adam Boneker McDonalds travels highlighted by over 300 poems can take the reader back to a simpler time or into the possibilities of the future In chapter and in verse Poet in the Grandstand has something for both the baseball enthusiast and the curious traveler Fans of the game and lovers of the road will each find much to offer within these pages
