The Magic Mountain:

The Magic Mountain Thomas Mann, 2023-12-17 The Magic Mountain German Der Zauberberg is a novel by Thomas Mann first published in German in November 1924 It is widely considered to be one of the most influential works of twentieth century German literature Mann started writing what was to become The Magic Mountain in 1912 It began as a much shorter narrative which revisited in a comic manner aspects of Death in Venice a novella that he was preparing for publication The newer work reflected his experiences and impressions during a period when his wife who was suffering from a lung complaint resided at Dr Friedrich Jessen's Waldsanatorium in Davos Switzerland for several months In May and June 1912 Mann visited her and became acquainted with the team of doctors and patients in this cosmopolitan institution According to Mann in the afterword that was later included in the English translation of his novel this stay inspired his opening chapter Arrival The outbreak of World War I interrupted his work on the book The savage conflict and its aftermath led the author to undertake a major re-examination of European bourgeois society He explored the sources of the destructiveness displayed by much of civilised humanity He was also drawn to speculate about more general questions related to personal attitudes to life health illness sexuality and mortality Given this Mann felt compelled to radically revise and expand the pre-war text before completing it in 1924 Der Zauberberg was eventually published in two volumes by S Fischer Verlag in Berlin The narrative opens in the decade before World War I It introduces the protagonist Hans Castorp the only child of a Hamburg merchant family Following the early death of his parents Castorp has been brought up by his grandfather and later by a maternal uncle named James Tienappel Castorp is in his early 20s about to take up a shipbuilding career in Hamburg his home town Before beginning work he undertakes a journey to visit his tubercular cousin Joachim Ziemssen who is seeking a cure in a sanatorium in Davos high up in the Swiss Alps In the opening chapter Castorp leaves his familiar life and obligations in what he later learns to call the flatlands to visit the rarefied mountain air and introspective small world of the sanatorium

The Magic Mountain Thomas Mann, 2018-05-03 As Seen on BBC Between the Covers A brief visit to a Swiss sanatorium becomes a life-altering seven-year odyssey Hans Castorp arrives at a sanatorium in the Swiss Alps to visit his cousin intending to stay for just three weeks But when he falls ill he remains and is drawn in by the introspection and erudition that define life in the mountains As his stay extends to seven transformative years Hans falls in love and becomes intoxicated with the ideas he hears at the clinic ideas which will strain and crack apart in a world on the verge of the First World War Magnificent a beautiful feverish account of obsessive love Jonathan Coe Guardian The greatest German novelist of the 20th century Spectator Cover may vary

The Magic Mountain Hermann J. Weigand, 2020-05-01 Praised highly by Mann himself Weigand's book originally published in 1933 is an essential piece of criticism on Mann's monumental novel In his study of The Magic Mountain Weigand comments on the novel's genre and organization before dissecting the themes of disease and mysticism Mann's use of irony and other aspects of this masterpiece of German

From The Magic Mountain Henry Hatfield,1979 *The Magic Mountain* T. M. Mann,2017-08-09 In this dizzyingly rich novel of ideas Mann uses a sanatorium in the Swiss Alps a community devoted

exclusively to sickness as a microcosm for Europe which in the years before 1914 was already exhibiting the first symptoms of its own terminal irrationality The Magic Mountain is a monumental work of erudition and irony sexual tension and intellectual ferment a book that pulses with life in the midst of death It is dusk and we are on a slim boat similar to a black gondola and approach an isolated island As I can make out better the shapes I realize I have seen this before The image in front of my eyes is like a black and white version of Arnold Böcklin's painting and now I am transported to his Isle of the Dead There is deep silence I can only hear the very faint stirring of the water as the boat slides over it Well no there is also a faint melody which becomes clearer as we approach the shore I now recognize Sergei Rachmaninov's symphonic poem that grew directly out of the painting with its Dies Irae This poem is also in black and white in spite of all its harmonic colours Imagine hiking up a steep mountain You are not quite winning the game of hide seek with the Sun and it has got its fiery eyes firmly on you Your legs are chewing your ears off with incessant grumbling With each step you take a wish to flop down right there grows stronger One of these steps carries you to a spot where a spectacular vista suddenly opens up before you For the briefest moment the scene in front of you consumes not only your vision but your consciousness It is only in the next moment that it registers that the arduous climb is over and you know it was a worthwhile endeavor The Magic Mountain is one such hike No other book has made such heavy demands on my patience not even Tommy Ruggles Gravity's Rainbow I think The Magic Mountain is incredibly dense and often slow going But then there are places where the narrative sprouts wings and soars Not to say that I didn't like the other bits of the book but it was these few outstanding chapters that confirmed that effort vs reward dynamic was in my favor It is certainly not a book with a high degree of obfuscation Mann doesn't make it any more difficult than it needs to be He narrates and explains everything with a lot of patience and wisdom About Thomas Mann Librarian Note There is more than one author in the GoodReads database with this name See this thread for more information Thomas Mann was a German novelist short story writer social critic philanthropist essayist and 1929 Nobel Prize laureate known for his series of highly symbolic and ironic epic novels and novellas noted for their insight into the psychology of the artist and the intellectual His analysis and critique of the European and German soul used modernized German and Biblical stories as well as the ideas of Goethe Nietzsche and Schopenhauer His older brother was the radical writer Heinrich Mann and three of his six children Erika Mann Klaus Mann and Golo Mann also became important German writers When Hitler came to power in 1933 Mann fled to Switzerland When World War II broke out in 1939 he emigrated to the United States from where he returned to Switzerland in 1952 Thomas Mann is one of the best known exponents of the so called Exilliteratur Mann's Magic Mountain Karolina Watroba, 2022 The first study of Thomas Mann's landmark German modernist novel Der Zauberberg The Magic Mountain 1924 that takes as its starting point the interest in Mann's book shown by non academic readers delving into the interrelated fields of transnational German studies global modernism studies comparative literature and reception theory The Magic Mountain, 1930
