Dayton, 1978      **Freed to Lead** Rodney Woods, 2016-01-15 This book and course is designed to enable Christians to lead confidently based on their identity in Christ Leadership is tough Many leaders come to leadership from competence in a different field without training and fear that they cannot really lead and will be found out one day Many leaders are insecure constantly assessing how they are coming across and where challenges may arise Being grounded in Christ is the foundation for all true Christian leadership This identity based leadership makes us less driven reduces the risk of burnout and enables us to survive personal attacks use conflict positively and overcome other barriers to effective leadership Once we operate from this secure base centred and grounded in Christ we become less vulnerable to threats to our status we cease to have anything to hide because we can afford to be vulnerable and we are less likely to be blown off course by strong willed people wanting to push their own agenda      **A Leader in the Making** Joyce Meyer, 2008-11-15 Grow your faith and learn how God s plan can make you a more effective person in this inspiring Christian leadership book Whether you re an established leader or you re just beginning to grow this book will show you how to cultivate a loving spirit and positive outlook that pleases God in every way and enhances your ability to guide those that surround you from family and friends to colleagues As a Christian leader you will face a series of tests on your spiritual journey and sometimes you ll come up against setbacks In these four sections Joyce Meyer will help

So You Want to be a Leader Kenneth O. Gangel, 1989 Many of the problems in lay leadership can be attributed to spiritual immaturity but many also stem from a failure to grasp the basic components of a leadership role This book is designed as a basic primer in addressing those problems

**Christian Education Leadership** Judy Morris D Min, Barbara Newman M A, Doug Powell Ph D, 2012 Book Description The collective work of twenty Christian leaders known for their expertise in Christian education this book is an up to date comprehensive resource on Christian education with the emphasis on making disciples as Jesus instructed This volume addresses spiritual formation for all age groups and gives guidance on how to develop an effective church discipleship ministry The book shows church leaders how to provide for the spiritual formation of all age groups including people with special needs who are often neglected The aim of the book is to forge a strong connection between what happens on Sunday and how people live every day The goal is discipleship stressing how to develop a congregation that is on mission rather than merely a group of people who convene on Sundays The book contains a strong emphasis on missions as an integral part of church identity and activity Church leadership must provide ways for growing and encouraging disciples in being on a mission for Christ At the core of the book is Jesus command to his disciples including church leaders today Go and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I commanded you Matthew 28 19 20 NASB As we enter the third millennia of the Christian church church leaders must learn and practice ways to truly obey Jesus command This comprehensive book provides guidance and inspiration for doing that The Christian leaders who authored this resource also point to the urgent need to equip and involve lay people in all the work of the church The authors call for church leaders to involve church members in planning decision making and action rather than to promote on purpose or by default a spectator mentality Citing Ephesians 4 11 12 the authors emphasize that a church's staff members exist to equip and deploy all believers in the mission and ministry of Christ The book stresses guiding Christian leaders to move their church from a school with pews mentality to a place that heeds the biblical call to develop disciples Instead of just maintaining members church leaders must focus on making disciples in order for their congregation to be on a mission as a vibrant force for change in their community and around the world WHO NEEDS THIS BOOK University and seminary professors will find this volume a good choice for a textbook for preparing ministers for church ministry It will also be a valuable tool for pastors general staff leaders and practitioners for the various age group staff and key volunteer leaders in the local churches

The making of a Christian leader Theodore Engstrom, **The Christian Leader**, 1937 *The Making of a Mentor* Theodore Wilhelm Engstrom, Ron Jenson, 2005 Jesus ministered to many but focused on a few What makes this strategy so compelling

Because he understood the secret of living forward spiritual multiplication through intentionally influencing a few people at a time He knew that by concentrating on a few faithful men and women they would leave behind them a legacy of people whose influence would extend beyond a generation or two in fact a legacy that would continue to multiply until he returned This book is written to stimulate you whatever your age gender or position in life toward a passionate desire to change people who will then change other people who will change other people The key is not so much how you pour your life into people but that you are a person worth following God placed you here to invest your life in others This book will show you how to live and speak truth into the lives of others in a way that will transform them forever Some of the essential leadership characteristics discussed in this book Self discipline Encouragement Gentleness Confrontation **Being Leaders** Aubrey Malphurs,2003-09 Not all definitions of leadership are equal This book helps pastors minister effectively by understanding the unique nature of being a Christian leader Leadership in Christian Perspective Justin A. Irving,Mark L. Strauss,2019-06-18 This book brings the best of leadership theory and research together with biblical reflection and examples of leadership in action to offer a practical guide to Christian leaders Combining expertise in leadership studies and biblical studies Justin Irving and Mark Strauss explore how leadership models have moved from autocratic and paternalistic leader centered models toward an increased focus on followers The authors show how contemporary theories such as transformational leadership authentic leadership and servant leadership take an important step toward prioritizing and empowering followers who work with leaders to accomplish organizational goals Irving and Strauss organize their book around nine empowering practices making it accessible to students church leaders and business leaders Integrating solid research in leadership studies with biblical and theological reflection on the leadership ideas that are most compatible with Christian faith this book is an important resource for all Christian students of leadership **The Christian Leader** Bill Hull,2016-05-31 What if everything you ve heard about leadership is wrong Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve Compassionate Leadership Ted W. Engstrom,Paul Cedar,2006-04-12 What do compassionate leaders with years of experience have to say to leaders of today What does Christ s example show us about leadership What are the perils and pitfalls that can ensnare young Christian leaders In Compassionate Leadership Ted Engstrom and Paul Cedar bring their considerable experience to bear on the issues facing young leaders of today Instead of discussing power management and

organization their advice involves being generous believing in people and helping to meet needs encouraging friends getting excited about the good things that happen to others and helping others in their walk with the Lord Jesus told us that to become great we must be compassionate servants Here s how     The Making of a Leader Study Guide Frank Damazio,1992-03 In this book Frank Damazio lays out for the serious student a broad and deep discussion of what it means to be responsible for a group of followers This perennial best seller presents a scriptural analysis of the philosophy history qualifications preparation and practice of Christian leadership Charts diagrams and illustrations enhance this well tested and taught study on Christian leadership     Teachers' Notes on Stories of Early Christian Leaders in the Days of the Apostles Episcopal Church.
