Historical Memory and Clerical Activity in Medieval Spain and Portugal Peter Linehan,2018-02-06 This fourth

Variorum collection of articles by Peter Linehan comprises items largely from the past decade The studies represent further investigation of themes broached in earlier works in particular the latest report on the movements of Cardinal John of Abbeville and the related subjects of historiography and historians the interplay of history and government and aspects of sacral monarchy Articles on Zamora s frustrated legal history and Zamora s cardinal extend the Castilian theme across the territorial frontier into the kingdom of Portugal and two other items explore English ramifications and developments in papal procedures

Judeo-Spanish and the Making of a Community Bryan Kirschen,2015-09-04 Judeo Spanish and the Making of a Community brings together scholars and activists from around the world all of whom have participated in and presented original research at the annual ucLADINO Judeo Spanish Symposia This collection addresses a number of linguistic historical and cultural matters pertinent to the Sephardim in different lands from the fifteenth century to the present day Essays in this volume reveal how Sephardim from various parts of the world Turkey the Balkans Morocco and the United States culturally and linguistically position themselves among each other among other Jews and among their non Jewish co regionalists Contributors explore how the rich history of the Sephardim has allowed for the development maintenance endangerment and even revitalization of the Judeo Spanish language s

The Routledge Companion to the Crusades Peter Lock,2013-04-15 A compilation of facts figures maps family trees summaries of the major crusades and their historiography the Routledge Companion to the Crusades spans a broad chronological range from the eleventh to the eighteenth century and gives a chronological framework and context for modern research on the crusading movement Not just a history of the Crusades but an overview of the logistical economic social and biographical history this is a core text for students of history and religious studies

Christian Identity amid Islam in Medieval Spain Charles L. Tieszen,2013-05-30 In Christian Identity amid Islam in Medieval Spain Charles L. Tieszen explores a small corpus of texts from medieval Spain in an effort to deduce how their authors defined their religious identity in light of Islam and in turn how they hoped their readers would distinguish themselves from the Muslims in their midst It is argued that the use of reflected self image as a tool for interpreting Christian anti Muslim polemic allows such texts to be read for the self image of their authors instead of the image of just those they attacked As such polemic becomes a set of borders authors offered to their communities helping them to successfully navigate inter religious living

The Cambridge Companion to the Spanish Novel Harriet Turner,Adelaida López de Martínez,2003-09-11 The Cambridge Companion to the Spanish Novel presents the development of the modern Spanish novel from 1600 to the present Drawing on the combined legacies of Don Quijote and the traditions of the picaresque novel these essays focus on the question of invention and experiment on what constitutes the

singular features of evolving fictional forms It examines how the novel articulates the relationships between history and fiction high and popular culture art and ideology and gender and society Contributors highlight the role played by historical events and cultural contexts in the elaboration of the Spanish novel which often takes a self conscious stance toward literary tradition Topics covered include the regional novel women writers and film and literature This companionable survey which includes a chronology and guide to further reading conveys a vivid sense of the innovative techniques of the Spanish novel and of the debates surrounding it The Medieval World Helen Howe,1992 Medieval History Penelope Delafield Johnson,1985 **The New Scholar** ,1978 A journal of graduate studies in the social sciences **The World of the Crusades** Andrew Holt,2019-06-05 Unlike traditional references that recount political and military history this encyclopedia includes entries on a wide range of aspects related to daily life during the medieval crusades The medieval crusades were fundamental in shaping world history and provide background for the conflict that exists between the West and the Muslim world today This two volume set presents fundamental information about the medieval crusades as a movement and its ideological impact on both the crusaders and the peoples of the East It takes a broad look at numerous topics related to crusading with the goal of helping readers to better understand what inspired the crusaders the hardships associated with crusading and how crusading has influenced the development of cultures both in the East and the West The first of the two thematically arranged volumes considers topics such as the arts economics and work food and drink family and gender and fashion and appearance The second volume considers topics such as housing and community politics and warfare recreation and social customs religion and beliefs and science and technology Within each topical section are alphabetically arranged reference entries complete with cross references and suggestions for further reading Selections from primary source documents each accompanied by an introductory headnote give readers first hand accounts of the crusades **The Medieval Iberian Treasury in the Context of Cultural Interchange (Expanded Edition)** ,2020-11-16 The Medieval Iberian Treasury in the Context of Cultural Interchange expanded beyond the special issue of Medieval Encounters from which it was drawn centers on the magnificent treasury of San Isidoro de Le n to address wider questions about the meanings of cross cultural luxury goods in royal ecclesiastical settings during the central Middle Ages Now fully open access and with an updated introduction to ongoing research an additional chapter composite bibliographies and indices this multidisciplinary volume opens fresh ways into the investigation of medieval objects and textiles through historical art historical and technical analyses Carbon 14 dating iconography and social history are among the methods applied to material and textual evidence together shining new light on the display of rulership in medieval Iberia Contributors are Ana Cabrera Lafuente Mar a Judith Feliciano Julie A Harris Jitske Jasperse Therese Martin Pamela A Patton Ana Rodr guez and Nancy L Wicker Semantic and syntactic aspects of impersonality Peter Herbeck,Bernhard Pöll,Anne C.
