Transgender Health and Medicine

Dana J Bennett Bevan Ph.D., 2019-07-26 This text starts with the history of transgender science and provides current evidence based information on theories and treatment procedures concluding with projections of future scientific developments A transgender person is one whose congruent gender behavior e g masculine feminine genderqueer does not match the culturally assigned gender category based on their sex at birth For example a transgender person may behave and present as a woman despite being born with male genitalia This book provides background on transgender history needs assessment and procedures side effects of procedures and outcomes that all providers need to understand to treat transgender patients and relate to their particular expectations The current etiquette basis for establishing an effective provider patient relationship is highlighted Pathological terms are no longer acceptable and new non pathological terms are rapidly replacing them because being transgender is now recognized as a natural part of diversity rather than a disease or disorder Also included here are new theories of causation and treatment approaches for providers The book additionally outlines current and earlier schools of thought and provides an integrated theory of transgender causation that includes genetic epigenetic cultural and early learning emergence factors and highlights research needs and expected future research topics

Transgender Nation

Gordene Olga MacKenzie, 1994 Looks at the male to woman transgenderist and transsexual from a sociological and sociopolitical perspective arguing that it is not the individual transgenderists who are sick and need treatment but the society that condemns them Considers the history of the transgender movement categories of sex and contemporary medical and popular ideology No index Paper edition unseen 14 95 Annotation copyright by Book News Inc Portland OR

Who's who & Resource Guide to the International Transgender Community ,1995 *Lou Sullivan* Brice Smith, 2017-03-15 They said I couldn't live as a gay man but it looks like I'm going to die like one Good Midwestern girls did not grow up to be gay men and die from AIDS Unless they were transgender pioneer Lou Sullivan 1951 1991 In this heart wrenchingly inspirational biography Brice D Smith reclaims one of the most tragically overlooked people in LGBT history Sullivan marched for Civil Rights embraced the 1960s counterculture came of age in the gay liberation movement transformed medical treatment of trans people
