The Man from Plains David Kucharsky,1976 **The Presidency of James Earl Carter, Jr** Burton Ira Kaufman,Scott Kaufman,2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president s foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn s activist role during his administration **Faith and the Presidency From George Washington to George W. Bush** Gary Scott Smith,2006-10-12 Publisher description

The New Encyclopedia of Southern Culture James W. Ely Jr.,Bradley G. Bond,Charles Reagan Wilson,2014-02-01 Volume 10 of The New Encyclopedia of Southern Culture combines two of the sections from the original edition adding extensive updates and 53 entirely new articles In the law section of this volume 16 longer essays address broad concepts ranging from law schools to family law from labor relations to school prayer The 43 topical entries focus on specific legal cases and individuals including historical legal professionals parties from landmark cases and even the fictional character Atticus Finch highlighting the roles these individuals have played in shaping the identity of the region The politics section includes 34 essays on matters such as Reconstruction social class and politics and immigration policy New essays reflect the changing nature of southern politics away from the one party system long known as the solid South to the lively two party politics now in play in the region Seventy shorter topical entries cover individual politicians political thinkers and activists who have made significant contributions to the shaping of southern politics **The New Encyclopedia of Southern Culture** Charles Reagan Wilson,2014-02-01 Providing a chronological and interpretive spine to the twenty four volumes of The New Encyclopedia of Southern Culture this volume broadly surveys history in the American South from the Paleoindian period approximately 8000 B C E to the present In 118 essays contributors cover the turbulent past of the region that has witnessed frequent racial conflict a bloody Civil War fought and lost on its soil massive in and out migration major economic transformations and a civil rights movement that brought fundamental change to the social order Charles Reagan Wilson s overview essay examines the evolution of southern history and the way our understanding of southern culture has unfolded over time and in response to a variety of events and social forces not just as the opposite of the North but also in the larger context of the Atlantic World Longer thematic essays cover major eras and events such as early settlement slave culture Reconstruction the New Deal and the rise of the New South Brief topical entries cover individuals including figures from the Civil War the civil rights movement and twentieth century politics and organizations such as the Southern Christian Leadership Conference Daughters of the Confederacy and Citizens Councils among others Together these essays offer a sweeping reference to the rich history of the region **U.S. Presidents as Orators** Halford R. Ryan,1995-06-27 This first systematic critique on the rhetoric of 21 presidents shows how political constraints shaped rhetoric and how oratory shaped politics An introduction places American public address in the context of classical rhetorical practices and theory and sets

the stage for the bio critical essays about presidents ranging from Washington to Clinton Experts analyze the style and use of language important speeches and their impact and their ethical ramifications Each essay on a president also keys major speeches to authoritative texts and offers a chronology and bibliography of primary and secondary sources For students teachers and professionals in American public address political communication and the presidency Religion and the American Presidency M. Rozell,G. Whitney,2007-05-14 This volume opens a new avenue toward understanding the politics and policies of many US presidents As the essays in this book reveal religion has had an enormous impact on many critical presidencies in US history Contrary to the conventional wisdom these essays reveal the deeply religious side to Truman Eisenhower and Reagan among others **The Complete Book of U.S. Presidents** William A. DeGregorio,1993 A ready reference guide to the presidents of the United States from George Washington through Bill Clinton
