The Management Of Stress Using Tm At Work:

Management of Stress David R. Frew,1977 Fundamentals of Organizational Behavior Andrew J. DuBrin,2013-09-17
Fundamentals of Organizational Behavior An Applied Perspective Second Edition examines the behavior of people in organizations Topics covered range from political maneuvering in organizations office politics to the stresses facing people in managerial and professional positions A conceptual framework for organizational behavior is presented along with numerous case illustrations and examples from live organizational settings This monograph consists of 14 chapters and opens with an introduction to organizational behavior and how it is influenced by principles of human behavior The three main subareas or schools of management thought are discussed together with the difference between knowledge work and non knowledge work how research and theory contribute to an understanding of organizational behavior and the distinction between structure and process The following chapters explore how the meaning of work relates to work motivation as well as the link between work motivation and job performance behavioral aspects of decision making stresses in managerial and professional life and political maneuvering in organizations Small group behavior leadership styles and interpersonal communications are also considered along with intergroup conflict and organizational effectiveness This book will be of interest to students managers and staff specialists as well as behavioral scientists and management theorists

Organizational Behavior

Steven Altman,Enzo Valenzi,Richard M. Hodgetts,2013-10-02 Organizational Behavior Theory and Practice covers the concepts of organizational behavior The book discusses the foundations of modern organizational behavior and the individual or group behavior in organizations The text then describes organizational structure and the ways in which individuals groups and the structure all come together in an organizational setting In this part of the book major consideration is given to basic factors in organizational design contingency factors in organizational design and job design The organizational processes used in bringing together the individual the group and the structure are also considered The book further tackles the ways in which organizations deal with behavioral problems such as conflict and the fears that often accompany change Behavioral psychologists and students taking behavioral courses in management will find the text useful
