## **The Marriage Of Spirit Enlightened Living In Today's World:**

**The Marriage of Spirit** Leslie Temple-Thurston, Brad Laughlin, 2000 The Marriage of Spirit is a handbook for spiritual awakening. It directly addresses how we can experience divine presence in our lives and offers simple powerful exercises for creating balance and harmony. First published in spiral bound form in the mid 1990s, it has blossomed organically over the decades primarily by word of mouth into a worldwide best seller and has become a classic in its field. Based in the ancient teachings of the reconciliation of opposites, these revolutionary, unique, and easy journaling techniques help us accelerate the path to unity consciousness by quickly and dramatically moving us beyond egoic limitations and overcoming negativity, anger, pain, and fear. In this groundbreaking book, which has been translated into several languages and has helped thousands worldwide, Leslie Temple-Thurston shares the story of the awakenings that led to her spiritual transformation and her eclectic, yogic-influenced approach to enlightenment. Filtered through spiritual psychology, her insights and principles are based on the truth teachings of ancient mystery schools, traditions, and religions, revamped and simplified for the contemporary spiritual seeker. As the author says, "We have arrived at a new and different time; we are here to enlighten the physical plane, the body, and the personality while living and working in the world. If we integrate the dualistic and polarized schisms in our personality, we can know directly and palpably the unity which we truly are beyond the limited personality. In a world torn apart by polarization, it offers hope for a third way, the way of unity amidst diversity." *The Marriage of Spirit* Leslie Temple-Thurston, 2023

**The Fast Track to Enlightenment** Amara Mahdhuri, 2006-11 Mahdhuri spent 30 years gathering information to quicken the process of enlightenment for herself and others. Through her own revelations and her study with different Masters, she has developed a system that potentially clears great portions of one's negative conditioning within 30 seconds. *Dark Gold* Carolyn Baker, 2017-12-26 Dark Gold The Human Shadow and the Global Crisis endeavors to educate, challenge, and most importantly, inspire the reader to engage with the personal and collective shadow as a necessary first step in both individual and planetary healing. It emphasizes and elaborates on the abundant emotional and spiritual treasures that invariably issue from shadow exploration and transformation. Dark Gold challenges us to become courageous enough to be accountable and compassionate enough to love ourselves and the Earth community fiercely, even when we feel it will make no difference. *Humanity's Legacy from The Star Nations* Aurora Gabriel, Candace Ausherman, Susan Grace, The Star Nations, 2019-10-16 Humanity's Legacy is a collection of techniques that take the reader on a personal journey of transformation and shifting vibration. It was given to the Earth to help at this time of Spiritual Awakening and Evolution.

**The Art and Science of Heroism and Heroic Leadership** Scott T. Allison, James K. Beggan, Olivia Efthimiou, 2019-06-21 Heroism is a rich elusive phenomenon Any adequate understanding of heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco Blau and Zimbardo 2011 who describe such imagination as a mind set and a collection of attitudes p 13 that can steer everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership demonstrating that heroic leadership applies the principles of heroism in moving groups toward noble collective goals This eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and imaginations in their scholarship on heroism and heroic leadership
