Drew thinks marriage is a trap and he's made a pact with his brother to remain bachelors forever. Even when the Hawaiian Heat welds love and lust into his dream soul mate he can't marry Ginny. But hot-blooded lust wins out at a conference when the two share a scorching one-night stand and are busted by her mother. Now she's his only choice. Rachel has been in love with billionaire Kevin since she was eighteen. Now six years later, fate has other plans. When Rachel's father passes away, his will includes an impossible condition: she must be married within months or lose the family business forever. With the company on the brink of collapse, Rachel is desperate. And the only man who can help her? The one who broke her heart. Kevin has his own reasons for saying yes. His interest in the company is no coincidence, and Rachel is the perfect solution to his problems. One year of marriage, and they both get what they want. No emotions. No complications. But keeping this marriage strictly business is easier said than done. The more they pretend, the harder it becomes to ignore the tension simmering between them. The way his touch lingers. The way her heart races. Enemies. Lovers. A deal that changes everything. Will their marriage trap them in a passion they never expected? Or will old wounds tear them apart once more?
