The Edge Of Immortality:

Immortal at the Edge of the World Gene Doucette, 2014-10-01 From the best selling author of *The Spaceship Next Door* What I was currently doing with my time and money didn't really deserve anyone else's attention If I was feeling romantic about it I'd call it a quest but all I was really doing was trying to answer a question I'd been ignoring for a thousand years In his very long life Adam had encountered only one person who seemed to share his longevity the mysterious red haired woman She appeared throughout history usually from a distance nearly always vanishing before he could speak to her In his last encounter she actually did vanish into thin air right in front of him The question was how did she do it To answer Adam will have to complete a quest he gave up on a thousand years earlier for an object that may no longer exist If he can find it he might be able to do what the red haired woman did and if he can do that maybe he can find her again and ask her who she is and why she seems to hate him You are being watched Move your loved ones to safety trust nobody But Adam isn't the only one who wants the red haired woman There are other forces at work and after a warning from one of the few men he trusts Adam realizes how much danger everyone is in To save his friends and finish his quest he may be forced to bankrupt himself call in every favor he can and ultimately trade the one thing he'd never been able to give up before his life From the author of *Immortal* and *Hellenic Immortal* comes *Immortal at the Edge of the World* the breathtaking conclusion to the best selling trilogy Will Adam survive

The End Bianca Nogrady,2013-05-01 A fascinating exploration of the universal human experience of death We sat around and on the bed laughing and joking as if this was a typical family gathering The shrunken form of our dying grandmother lay on the bed breathing fast and shallow her once bright eyes half closed and sunken in their sockets To some it might have seemed disrespectful to be treating her as part of the furniture as she took what were her very last breaths on this earth But to us it seemed almost normal that we should carry on being her boisterous jovial grandchildren filling her ears with the sounds of normality as she slipped away Looking back on that experience Bianca Nogrady realised she had so many questions Was her grandmother in pain Could she hear them Did she know they were there Was she aware of what was happening to her What was she experiencing as the spark of life that had sustained her for 87 years finally flickered out We know so much about birth generations of women have shared their experiences with their sisters daughters and grand daughters medicine has exhaustively explored and documented every possible angle of birth and it is a joyous moment that is shared with friends and family But at the other end of a life death is hidden taboo mysterious fearful rarely shared and often a lonely dark book end Death will come to all of us it is one of few experiences that unites every single being on the planet But we don t talk about it we try not to think about it and anyone who breaks these unspoken taboos is viewed as being unnecessarily morbid Yet many who have been present at the death of a loved one talk of it as being a gift they have taken part in a profound moment The End is an exploration of that experience exploring the human experience of death from every angle the spiritual the historical the physical the metaphysical from the perspective of those who have witnessed it those who face it and those who have somehow stepped back from it The End investigates an experience common to every single one of us and does so in a way that is engaging compelling a bit funny and a bit quirky in places heartbreaking in others but most of all fascinating The End provides a different framework through which to view death instead of the fear and mystery that so often shrouds this incredibly important moment of life Is the Soul Immortal? Or, A Biblical Analysis of Man, Etc William Winters,1876 *Immortal Obsession (Mills & Boon Nocturne)* Linda Thomas-Sundstrom,2014-09-01 Bound to oblige her every desire When a rogue group of human hating vampires overtake London the elite immortals who own the city turn to American newscaster Madison Chase If she can convince someone to help her infiltrate the dangerous faction she just might stem the bloodshed and find her brother in time The Immortality Enzyme Phillip Minton,2000 *The Immortal Life* John Weiss,1880 **The Immortal Eries** Raymond Charles Vietzen,1945 **A Critical History of the Doctrine of a Future Life** William Rounseville Alger,1889 Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature John McClintock,1872
