The Emperor's Virgin Sylvia Fraser,1982-02 **The Emperor's Virgin** Sylvia Fraser,1980 **The Emperor's Virgin** Fraser, Sylvia,1981 **The Virgin's Prophecy** Colette Murney,2022-03-27 A 2000 year old prediction for our time Particularly appropriate in today s global aggression In an astonishing series of visions in Mary s House in Ephesus the mother of Jesus gives a forewarning and a promise for our era the 21st century Her son she tells us didn t come to die for our sins He came to end the Rule of Evil an immense expanse of time controlled by Satan But the Romans killed Jesus the Messenger of the Most High before he could complete his task Fallen angels didn t desecrate the earth nor did Eve bring disaster by eating an apple These are fables In the early days of humanity soon after we evolved from our animal ancestors evil was created by a spiritually gifted man who was intended to facilitate our initial spurt of evolution a man who should have been the Lightbringer Through arrogance and pride in his abilities he rebelled against the Great Creator the One who gave him life Today we know him as Satan the devil However the Father promised those who remained faithful that evil wouldn t last forever And Mary tells us the second attempt to end Satan s rule will be made in our own time We can neutralise the Evil One But how Where does Jesus come in Find out more at www.thevirginsprophecy.com **The Christian virgin in her family and in the world** Christian virgin,1890 *Byzantine Art and Diplomacy in an Age of Decline* Cecily J. Hilsdale,2014-02-20 The Late Byzantine period 1261 1453 is marked by a paradoxical discrepancy between economic weakness and cultural strength The apparent enigma can be resolved by recognizing that later Byzantine diplomatic strategies despite or because of diminishing political advantage relied on an increasingly desirable cultural and artistic heritage This book reassesses the role of the visual arts in this era by examining the imperial image and the gift as reconceived in the final two centuries of the Byzantine Empire In particular it traces a series of luxury objects created specifically for diplomatic exchange with such courts as Genoa Paris and Moscow alongside key examples of imperial imagery and ritual By questioning how political decline refigured the visual culture of empire Cecily J Hilsdale offers a more nuanced and dynamic account of medieval cultural exchange that considers the temporal dimensions of power and the changing fates of empires **The virgin Mother according to theology. Transl** Jean Baptiste Petitalot,1889 *The Virgin* Geoffrey Ashe,1976 The mother of Christ has taken various forms throughout the centuries among them are the Blessed Virgin the Queen of Heaven the Madonna and the spiritual mother of all the faithful Yet despite her high enthronement in the Catholic Church Mary as both chaste goddess and earth mother has her origins in pre Christian religions of which the chief deities were female In this masterly exploration of the cult of Mary Geoffrey Ashe examines ancient myths theology history literature and feminine spirituality to throw new light on the role of Mary in today s Church Tracing the cult from its origins to the present day with the resubordination of Mary to Christ this remarkable book also illuminates the spiritual battle of the sexes a conflict that remains unresolved to this day **A Dictionary of Christian**
