*The Enchanted Castle* E Nesbit, 2020-12-30 THERE were three of them Jerry Jimmy and Kathleen Of course Jerry s name was Gerald and not Jeremiah whatever you may think and Jimmy s name was James and Kathleen was never called by her name at all but Cathy or Catty or Puss Cat when her brothers were pleased with her and Scratch Cat when they were not pleased And they were at school in a little town in the West of England the boys at one school of course and the girl at another because the sensible habit of having boys and girls at the same school is not yet as common as I hope it will be some day They used to see each other on Saturdays and Sundays at the house of a kind maiden lady but it was one of those houses where it is impossible to play You know the kind of house don t you There is a sort of something about that kind of house that makes you hardly able even to talk to each other when you are left alone and playing seems unnatural and affected So they looked forward to the holidays when they should all go home and be together all day long in a house where playing was natural and conversation possible and where the Hampshire forests and fields were full of interesting things to do and see Their Cousin Betty was to be there too and there were plans Betty s school broke up before theirs and so she got to the Hampshire home first and the moment she got there she began to have measles so that my three couldn t go home at all You may imagine their feelings The thought of seven weeks at Miss Hervey s was not to be borne and all three wrote home and said so This astonished their parents very much because they had always thought it was so nice for the children to have dear Miss Hervey s to go to However they were jolly decent about it as Jerry said and after a lot of letters and telegrams it was arranged that the boys should go and stay at Kathleen s school where there were now no girls left and no mistresses except the French one
