## **Spook School:**

*Spook School* Sue Purkiss, 2012-06-21 What could be worse for a ghost than not being frightening enough? That's Spooker's problem as he faces his Practical Haunting examinations at the Anne Boleyn Secondary School under the watchful eye of the Inspectorate and Sir Rupert Grimsdyke who's definitely not Spooker's favourite teacher. He isn't helped by the fact that he's sent for training to a brand new house in Buttercup Avenue not at all the kind of dingy creaky building in which ghosts feel most comfortable. Spooker must find a way to spook the most unspookable people imaginable. Or maybe ghosts don't have to be scary after all.

*The Monster* Stephen Crane, 1898      **The Imperial University** Piya Chatterjee, Sunaina Maira, 2014-04-15 At colleges and universities throughout the United States political protest and intellectual dissent are increasingly being met with repressive tactics by administrators, politicians and the police from the use of SWAT teams to disperse student protestors and the profiling of Muslim and Arab American students to the denial of tenure and dismissal of politically engaged faculty. The Imperial University brings together scholars including some who have been targeted for their open criticism of American foreign policy and settler colonialism to explore the policing of knowledge by explicitly linking the academy to the broader politics of militarism, racism, nationalism and neoliberalism that define the contemporary imperial state. The contributors to this book argue that academic freedom is not a sufficient response to the crisis of intellectual repression. Instead they contend that battles fought over academic containment must be understood in light of the academy's relationship to U.S. expansionism and global capital. Based on multidisciplinary research, autobiographical accounts and even performance scripts, this urgent analysis offers sobering insights into such varied manifestations of the imperial university as CIA recruitment at black and Latino colleges, the connections between universities and civilian and military prisons and the gender and sexual politics of academic repression. Stine, 2009-04-14 Joe Sweety is the worst kind of bully, big mean and always ready to use his fists. Chipmunk is the shiest, clumsiest kid at Rotten School. When Chipmunk is paired with Joe on the class trip, things get ugly and fast. Chipmunk spills his apple juice on Joe, he barfs on Joe and he pulls down Joe's pants. All accidents of course. But does Joe care? No way. He is out to get Chipmunk. Bernie Bridges can't stand to see Chipmunk, one of his Rotten House guys, bullied by big mean Sweety. So it's payback time and Bernie has a spooktacular plan. It turns out that Sweety is scared of ghosts. Petrified.
