## **Sport Tourism Destinations Issues And Analysis:**

*Sport Tourism Destinations* James Higham, 2007-03-30 Few forces in contemporary society influence the fortunes of tourism destinations more immediately than sport From football fans to kayaking Sports Tourism Destinations issues opportunities and analysis examines the planning development and management of sport tourism destinations With contributions from international experts this book looks at the dramatic effects sports tourism has on the economy and future of tourism destinations Divided into four parts the book systematically covers Sports tourism destination analysis applies principles of destination resource analysis to the study of sport tourism destinations Destination planning and development illustrates the mutually beneficial links between sport tourism and destination planning Destination marketing and management explores theoretical and applied aspects of sport tourism destination marketing and management Sport tourism impacts and environments identifies and discusses critical issues of sustainable development at sport tourism destinations Practical case studies in each chapter illustrate and highlight the links between sport tourism theory and practice making this book a vital resource for lecturers and students alike Sport Tourism Destinations ,2014

**Sport Tourism and Sustainable Destinations** Brent Moyle, Tom Hinch, James Higham, 2018-12-07 Destinations include the places landscapes and communities where sport tourism development takes place Whether sport tourism development takes the form of sport events active participation in sport and or sports nostalgia heritage it draws on local resources forms part of the complex dynamic of daily life As such sports tourism has implications for residents with destination communities in a position to benefit from or absorb the costs of the extent to which development is sustainable Subsequently this book features contributions that focus on sport tourism and destination sustainability Issues covered include though are not limited to destination management surf localism the production of space event sustainability in national parks utilisation of sport heritage for destination promotion enhancing the attractiveness of destinations through sport tourism destination development and sport tourism utilising sport to motivate travel to destinations and environmentally responsible behaviour in sports tourism destinations The unique contribution of this edited volume is the multi disciplinary approach applied to enhance conceptual understanding of issues surrounding sport tourism and destination sustainability The chapters originally published as a special issue in the Journal of Sport Tourism

**Sport Tourism** Heather J. Gibson, 2013-09-13 The study of sport tourism is on the cusp of moving from a descriptive phase of research into an analytical phase Consequently many academics and graduate students are searching for theories upon which to ground their work This book draws upon theories and concepts from sociology and anthropology the socio cultural perspective sport and tourism studies and business studies One of the dangers of a new area of study is that the body of knowledge is built on a range of seemingly unrelated studies By grounding work in a theoretical perspective future work can be linked to and contribute to building a cohesive understanding of various aspects of sport tourism This book is an edited collection written by some of the top scholars working in a

particular domain throughout the world providing a compendium of theories and concepts that can be used to frame research on various aspects of sport tourism This volume was previously published as a special issue of the journal Sport in Society

Sport Tourism Brent W. Ritchie, Daryl Adair, 2004-07-26 This book examines the economic social and environmental impacts and issues associated with the development of sport tourism globally including the lack of research and coordination between industry and government The book suggests the need for a more balanced analysis of the impacts and issues associated with future sport tourism development

**Sport Tourism** Ricardo Melo, Claude Sobry, 2017-05-11 This volume provides important theoretical and applied insights into sport tourism A collective work written by specialists in the field of sport tourism it provides new insights into this rapidly expanding field which is in constant change and challenged by globalization The book is composed of four parts each enclosing three chapters including an initial introductory chapter The first part of the book re thinks sport tourism in the globalized world the second explores new challenges for global and local event sport tourism the third section addresses issues related to sport tourism development in a globalized world and the fourth part is dedicated to understanding participation in sport tourism activities Altogether these chapters investigate some of the most important current research interests about sport tourism and some of the challenges faced in a globalized world As such it represents a valuable reference for researchers professors and professionals and an instructive text for students providing an important understanding into this dynamic field This book will interest academics dedicated to the study of sport tourism events management and development and will also be useful for professionals of public and private sector organizations operating within the field of sport tourism

**The Business of Tourism** J. Christopher Holloway, Neil Taylor, 2006 This book is a matchless guide to the operations and structures of the contemporary tourism industry Holloway's accessible text has long been a classic and continues to be essential student reading Dr Nigel Morgan Reader in Tourism Studies University of Wales Institute Cardiff The Business of Tourism is a well established and popular text providing an accessible introduction to the study of travel and tourism from its historical roots to the present day state and likely future direction This 7th edition provides an up to date account of the development impacts and major players in this fast moving industry as well as the significant changes in the wake of world events such as 9 11 and the Asian Tsunami of 2004 The text contains a wealth of examples to set the theory in context and a number of longer cases at the end of the book have been chosen to represent the diversity of the industry from small scale local attractions to the world wide appeal of major destinations Among the key topics covered in the book are the global economic socio cultural and environmental impacts of tourism technological change and its impact on the industry the historical and future developments of the industry the structure and sectors of travel and tourism further reading and references for more extensive study Chris Holloway is Former Professor of Tourism Management at Bristol Business School University of West of England Neil Taylor is a former director of specialist tour operator Regent Holidays and currently editor of Bradt's Guides to Estonia the Baltic Capitals and
