## **Springtime Of Evangelization:**

*Lay Ministers, Lay Disciples* Susan Blum Gerdin, Frank P. DeSiano, 1999 This book shows how every parish lay position has the potential for evangelization. This includes such unexpected volunteer roles as musicians and choir members, ushers and receptionists, youth workers, social activity planners, finance committee members, bereavement counselors, parish council administrators, and so on. *Speaking the Truth in Love: The Catechism and the New Evangelization* Petroc Willey, Scott R. Sollom, 2020-01-08 It is now just over twenty five years since the publication of the Catechism of the Catholic Church. It is also more than thirty five years since St John Paul II called for a new evangelization to be characterized by a new ardor, a new expression, and new methods. The conviction common to the contributors in this volume is that the Catechism flows from just such an ardor. Speaking the Truth in Love draws together a group of Catholic scholars and field practitioners to focus on the capacity of the Catechism to be a powerful point for the renewal of Christian catechesis, education, and culture through its reclamation of the Christian heritage, its explanatory power, and its compelling articulation of a civilization characterized by faith, hope, and love. A special focus of the book is how the Catechism provides a creative reference point for pedagogical renewal in the Church. Since the publication of the Catechism of the Catholic Church in 1992, catechists and pastors of souls have discovered how it has served as a great instrument of the New Evangelization. We have awaited this volume as a mature reflection on its vital place in the hope expressed by St John Paul II for a springtime of New Evangelization. In these pages you will find testimony on how through the Catechism this springtime is already taking shape. Most Rev Mark Davies, Bishop of Shrewsbury, Province of Birmingham, England.

**Springtime of Evangelization** Catholic Church. Pope (1978-2005 : John Paul II), Pope John Paul II, 1999 Pope John Paul II addresses America. The complete texts of the Holy Father's 1998 *ad limina* addresses to American Catholics on many important issues for revitalizing the faith and culture in the US. The pontiff of evangelization offers us compelling and practical advice for how we can participate in the New Evangelization. Includes moral law, the culture of life, liturgical renewal, the priesthood, and much more.

**The Truth of Catholicism** George Weigel, 2002 The Catholic Church may be the most controversial institution in the world. Whether the question is the uniqueness of Jesus Christ, the relationship of Catholicism to other religious communities, the meaning of freedom, the use and abuse of sex, the dignity of human life from conception until natural death, or the role of women, the Catholic Church has taken challenging positions that some find inexplicable, even cruel. In *The Truth of Catholicism*, George Weigel, author of *Witness to Hope: The Biography of Pope John Paul II*, explores these perennial questions and more, showing Catholicism and its controversies from inside the convictions that make those controversies not only possible but necessary. The truths of Catholicism then come into clearer focus as affirmations and celebrations of human life and human love, even as they challenge us to imagine a daring future for humanity and for ourselves.
