Idol Talk Elizabeth Searle, Tamra Wilson, 2018-06-12 In the midst of acne social anxiety and training bras are the teen idols that make adolescent life a little more bearable Whether their cutouts are plastered on bedroom walls or hidden behind locker doors there is no denying the impact of these stars on young women This collection of new essays explores with tenderness and humor the teen crushes of the past 60 years from Elvis to John Lennon to Whitney Houston who have influenced the choices of women romantically or otherwise well into adulthood

Celebrity and Power P. David Marshall, 1997 The celebrity is an ambiguous figure in contemporary culture Simultaneously celebrated and denigrated stars represent not only the embodiment of success but also the ultimate construction of false value They are a peculiar form of public subjectivity that negotiates the tension between a democratic culture of access and a consumer capitalist culture of excess Celebrity and Power examines this dynamic questioning the cultural forces behind our need to become endlessly embroiled with the construction and collapse of celebrities Through detailed analysis of figures from Tom Cruise to Oprah Winfrey to the commercial pop music sensation New Kids on the Block author and cultural critic P David Marshall investigates the general public's desire to associate with celebrity He examines various kinds of stars questioning the needs each type fulfills in our lives and relating these needs to particular entertainment media Marshall asks why enigmatic distant stars populate the silver screen while television constructs approachable everyman figures and popular music features audience identified celebrity personalities He looks at the significance of stars who amass cultlike followings as well as those who appear to prompt outright rejection Celebrity and Power identifies the forces that have enveloped the development of democratic culture and their partial resolution through a redefined public sphere populated by celebrities Marshall argues that the new concern with the masses that characterizes modern capitalism promotes figures who can be

seen as part of the crowd but who are articulated as individuals As such they provide a model of self differentiation that furthers an economy in which product consumption is thought to bestow individualism and personality Bridging the fields of media studies film studies communications and popular culture Marshall s volume is a unique resource for students and researchers in all of these disciplines as well as for the general reader P David Marshall is director of the Media and Cultural Studies Centre in the Department of English University of Queensland in Australia Running with Raven Laura Lee Huttenbach,2017-04-25 In 1975 Robert Raven Kraft made a New Year s Resolution to run eight miles on Miami s South Beach each evening Over 125 000 miles and seven hurricanes later he has not missed one sunset and he has changed the lives of thousands who have run with him From all fifty states and over 85 countries across all age groups and backgrounds people come to run with Raven In the process they find friendship inspiration and a nickname Among them is author Laura Lee White Lightning Huttenbach who has logged over a thousand miles of Raven Runs Here she explores the stories of dozens of others about why they started running with Raven and why they keep coming back Raven is a legend of the running world and his story is an invaluable reminder that the journey means little without the connections forged along the way Raven left an indelible impression upon me as he has countless others Raven long may you run Dean Karnazes New York Times bestselling author of Ultramarathon Man An inspiring tale of unbreakable discipline and one of a kind endurance Gerald Posner New York Times bestselling author of Miami Babylon Raven s tale of perseverance understanding and courage will inspire anyone Publishers Weekly *Imitation, Vol. 1* KyungRan Park,2023-07-18 THERE S NO SUCH THING AS BAD PUBLICITY RIGHT As a member of the obscure idol group Tea Party Maha Lee dreams of becoming a superstar one day But she had no idea she d get her big break so soon by embarrassing herself on a popular talk show Even worse the debacle lands her on the bad side of Ryoc Kwon a member of the top male idol group SHAX He now has her pegged as a talentless fake who imitates successful artists for attention Does Maha have what it takes to convince him and the world that she s the real deal Teen TV Glyn Davis (Reader in Screen Studies),Kay Dickinson,2004 No Marketing Blurb *Teenage Confidential* Michael Barson,Steven Heller,1998 When did those awkward tormented creatures known as teenagers first crawl out of the primordial ooze and into American culture In the forties fifties and sixties a new breed of youth known as the juvenile delinquent evolved In TEENAGE CONFIDENTIAL the authors conduct a guided tour through three decades of teen angst displayed in shocking Technicolor 150 full color photos **Dictionary of the Bible ...** William Smith,1893 *A Dictionary of the Bible* John Mee Fuller,1893 **Lost Among White Africans** David Ker,1886 **Charles Dayrell** Henry Solly,1883 **The Cornhill Magazine** George Smith,William Makepeace Thackeray,1865 'My Novel', Or, Varieties in English Life Edward Bulwer Lytton Baron Lytton,1874 **"My Novel"** Lytton,1888 **Lord Lytton's Novels: Paul Clifford** Edward Bulwer Lytton Baron Lytton,1878 *Transactions of the California State Agricultural Society* California State Agricultural Society,1890 *Transactions of the California State Agricultural Society* California State Agricultural
