broader context shaped by non Maori interests Can a Maori broadcaster follow both tikanga and the Broadcasting Standards Authority Is it simply telling the news in Maori or broadcasting the news with a Maori perspective How can it support te reo Maori at the same time as appeal to all New Zealand How does it function as the voice of its Maori stakeholders Offering five frameworks to address the challenges of a Maori organisation working within a wider non Maori context this is a solidly researched examination of Maori Television s unique contribution to the media cultures of Aotearoa New Zealand
