

The background of the book cover is a detailed illustration. It depicts a landscape with a large, gnarled tree on the right side, its roots exposed and spreading across the ground. The ground is a mix of dark, rich soil and lighter, sandy or silty areas. In the background, there is a dense forest of tall, thin trees, possibly corn or a similar crop, rendered in shades of green and yellow. The overall style is painterly and somewhat somber, reflecting the book's focus on soil science and erosion.
