Soldier Bear:

Soldier Bear Bibi Dumon Tak, 2011-08-22 Winner of the 2012 Batchelder Award Based on a real series of events that happened during World War II Soldier Bear tells the story of an orphaned bear cub adopted by a group of Polish soldiers in Iran. The soldiers raise the bear and eventually enlist him as a soldier to ensure that he stays with the company. He travels with them from Iran to Italy and then on to Scotland. Voytek's mischief gets him into trouble along the way but he also provides some unexpected encouragement for the soldiers amidst the reality of war. Voytek learns to carry bombs for the company, saves the camp from a spy, and keeps them constantly entertained with his antics. Always powerful and surprising, Bibi Dumon Tak's story offers readers a glimpse at this fascinating piece of history.

Soldier Bear Geoffrey

Morgan, Wiesław A. Lasocki, 1996-05 In the midst of the battle of Monte Cassino a big brown bear helped soldiers to unload ammunition. The bear was called Voytek and his owners were Polish soldiers. At the end of the War he and his owners came to Scotland. There in the lowlands Voytek's final escapades took place including his pursuit of a German POW up a tree.

Private Wojtek Krystyna Mikula-Deegan, 2011-07-29 Private Wojtek Soldier Bear is based on the true story of a real Persian brown bear cub sold mainly for food and some money by a starving young Persian boy to Polish soldiers stationed in the Middle East during World War II.

Voytek the Soldier Bear Garry Paulin, 2008-02-01 In the mountains of Persia (Iran) soldiers of the Polish Second Army Corps found a small bear cub. They fed and cared for him as they moved from Persia (Iran) to the Middle East and into Italy where the battle for the Monastery in Cassino (Italy) was fought. According to soldier stories and pictures, Voytek the Bear assisted the Polish Army fighting the German Luftwaffe and won. After the war, Voytek was taken to Scotland to live in the Edinburgh Zoo where he lived for 16 years. Voytek died at the age of 21.

Wojtek

The Bear Peter Harper, 2024-11-26 Writing this book has been a profoundly moving experience. The story of Wojtek the soldier bear is more than just a fascinating historical anecdote; it's a compelling narrative that speaks to the enduring power of friendship, loyalty, and the surprising resilience of the human spirit in the face of unimaginable adversity. While researching and writing, I've been consistently struck by the depth of the bond between Wojtek and the soldiers of the 22nd Polish Artillery Supply Company. Their story challenges conventional narratives of war, offering a poignant counterpoint to the brutality and hardship. It reveals the unexpected moments of compassion, camaraderie, and even humor that punctuated the soldiers' experiences. Wojtek's integration into the unit wasn't simply a novelty; it became a vital part of their daily lives, their morale, and ultimately their success. The historical research has been meticulous, drawing on firsthand accounts, official records, and personal testimonies to create a historically accurate and engaging narrative. My goal has been to bring Wojtek's story to life in a way that is both informative and emotionally resonant, appealing to a broad audience of animal lovers, history buffs, families, and anyone captivated by the extraordinary power of unexpected friendships. It is my hope that this book will

not only entertain but also inspire readers to reflect on the human animal bond the capacity for compassion during wartime and the enduring legacy of a truly remarkable bear The challenges of weaving together historical accuracy with an engaging narrative have been immense but the result I believe is a story as compelling as it is true
