This book was written to help hunters locate and harvest mature gobblers. In these pages, author Gary Clancy explains the proven tips and techniques of the best wild turkey hunters in the country. The list of contributors for this book reads like a who's who in the turkey world: Mark Drury, David Hale, Harold Knight, and Walter Parrot, to name a few. These experts share their secrets for hunting gobblers on public land in open spaces during rainy and windy weather and other special situations that often cause problems for turkey hunters. This book also shows the hunter how to best handle the meat and feathers from a trophy bird after a successful hunt.

Chasing Spring Presents: Ray Eye's Turkey Hunter's Bible Ray Eye, 2014-04-01. Solid hunting advice from the world's most famous turkey hunter. Before the celebrated return of American wild turkey populations, a boy named Ray Eye was born into a hunting tradition rooted in one of the remaining turkey strongholds deep in the Missouri Ozark Mountains. He grew up living with those turkeys and essentially becoming one of them. It is because of this experience that Ray Eye is truly qualified to write his Turkey Hunter's Bible. His sense of history and his perspective on wild turkeys will be appreciated by every turkey hunter. Ray has decided to lay all of his cards face up on the table, revealing exactly what he does to find, scout, call, and kill turkeys from one end of their range to the other. He goes into intimate detail about everything, including the secret to calling turkeys any day of the year. Now, as an added bonus, a DVD will come packaged with the book, detailing the various calls you can use to lure a turkey as well as different turkey hunting tactics. Readers everywhere can be thankful he's taken the time to share his vast mental library of turkey hunting knowledge.
