Springfellows Parade:

String Fellows Colin Bateman, 2010 Colin Bateman the cricket correspondent for the Daily Express has written this hilarious account of what happens when he and a disparate group of friends aged 19-71 set off for a 1100 mile charity bike ride around all 18 of the cricket counties of England and Wales. They had no idea what perils lay in wait around the next bend. And neither did the guest riders who joined them for a day here and there and included former England cricketers Angus Fraser and Steve James both of whom have contributions to make to this tale of two wheels. *String Fellows* reveals the tensions that build up when six good friends are taken out of their comfort zone for 16 days of pain and pleasure in the saddle. The story takes us around the byways of Britain exploring its curious folk and folklore. It tells very personal tales of each county cricket club and what exactly makes Britain grate when viewed from the saddle on another back breaking climb into a cruel head wind. You do not have to like cycling to cricket to enjoy this humorous tale but by the end of it you probably will.

Evil and the Problem of Jesus Gary Commins, 2025-01-30 Approaching the problem of evil from an alternative angle. *Evil and the Problem of Jesus* offers a Christ centred approach as an antidote to traditional theodicy. Gary Commins' discussion provides original insights into divine power, presence and love, allowing readers to reengage with the God whom Jesus reveals and the evil that Jesus challenges. In this study Jesus stands as a model for full humanity crafting new ways to imagine personal relationships with God and with evil. *Evil and the Problem of Jesus* draws on pastoral experiences of tragedy, suffering and evil alongside philosophical and biblical insights and Jesus' own complex interactions with evil. Commins offers thoughtful conceptual frameworks to help the reader live more faithfully, compassionately, wisely and justly in response to evils around us and within us.

Show Me the Money Max Markson, 2000 In the course of his long, varied and colourful career publicity supremo Max Markson has always stood out from the herd. His secrets: A nose for a goof story, An eye for the main chance. His is the story of the ultimate self-made man. As a schoolboy Max was promoting some of the hottest bands in the country using a telephone box as an office. Some thirty years later he is Australia's best known publicist, charity fund raiser and agent to the stars. He made Jane Flemming a calendar girl, found Greg Matthews a new head of hair, put Ita Buttrose and Linda Evangelista on a treadmill, gave new meaning to Kevin Costner's Waterworld and brokered Australia's biggest ever chequebook journalism.

Vile, 2020-09-19 While scholars increasingly recognize the importance of religion throughout American history *The Bible in American Law and Politics* is the first reference book to focus on the key role that the Bible has played in American public life. In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women's rights national alcoholic prohibition issues of war and peace and the like American presidents continue to take their oath on the Bible. Some of America's greatest speeches for example Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech have been grounded on Biblical texts or analogies. Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues. By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues
