Tel Avivjaffa:

Tel Aviv-Jaffa Arnold Sherman,1988 **Palestinians in Jerusalem and Jaffa, 1948** Itamar Radai,2015-12-14

Between November 1947 and May 1948 war between the Palestinian Arab community and the Jewish community encompassed Palestine with Jerusalem and Jaffa becoming focal points in the conflict due to their centrality size and symbolic importance Palestinians in Jerusalem and Jaffa 1948 examines Palestinian Arab society institutions and fighters in Jerusalem and Jaffa during the conflict It is one of the first books in English that deals with the Palestinian Arabs at this crucial and tragic moment in their history with extensive use of Arabic sources and an inquiry from the Palestinian vantage point It examines the causes of the social collapse of the Palestinian Arab communities in Jerusalem and Jaffa during the 1948 inter communal war and the impact of this collapse on the military defeat This book reveals that the most important internal factors to the Palestinian defeat were the social changes that took place in Arab society during the British Mandate namely internal migration from rural areas to the cities the shift from agriculture to wage labour and the rise of the urban middle class By looking beyond the well established external factors this study uncovers how modernity led to a breakdown within Palestinian Arab society widening social fissures without producing effective institutions and thus alienating social classes both from each other and from the leadership With careful examination of a range of sources and informed analysis of Palestinian social history Palestinians in Jerusalem and Jaffa 1948 is a key resource for students and scholars interested in the modern Middle East Palestinian Studies the Arab Israeli conflict and Israel Studies **The History and Archaeology of Jaffa 1** Aaron A Burke,Martin Peilstocker,2011-12-31 Recipient of the G Ernest Wright Award for Best Archaeological Publication American Schools of Oriental Research 2011 In 2007 the Jaffa Cultural Heritage Project JCHP was established as a joint research endeavor of the Israel Antiquities Authority and the Cotsen Institute of Archaeology at the University of California Los Angeles Among the project's diverse aims is the publication of numerous excavations conducted in Jaffa since 1948 under the auspices of various governmental and research institutions such as the Israel Department of Antiquities and Museums and its successor the Israel Antiquities Authority as well as the Jaffa Cultural Heritage Project This the first volume in the Jaffa Cultural Heritage Project series lays the groundwork for this initiative Part I provides the historical economic and legal context for the JCHP's development while outlining its objectives and the unique opportunities that Jaffa offers researchers The history of Jaffa and its region and the major episodes of cultural change that affected the site and region are explored through a series of articles in Part II including an illustrated discussion of historical maps of Jaffa from the nineteenth and early twentieth centuries Recent archaeological discoveries from Jaffa are included in Part III while Part IV provides a first glimpse of the JCHP's efforts to publish the Jacob Kaplan and Haya Ritter Kaplan legacy from Jaffa Together the twenty five contributions to this work constitute the first major book length publication to address the archaeology of Jaffa in more than sixty years since excavations were initiated at the site **Jaffa Shared and Shattered** Daniel

Monterescu,2015-08-24 Binational cities play a pivotal role in situations of long term conflict and few places have been more marked by the tension between intimate proximity and visceral hostility than Jaffa one of the mixed towns of Israel Palestine In this nuanced ethnographic and historical study Daniel Monterescu argues that such places challenge our assumptions about cities and nationalism calling into question the Israeli state's policy of maintaining homogeneous segregated and ethnically stable spaces Analyzing everyday interactions life stories and histories of violence he reveals the politics of gentrification and the circumstantial coalitions that define the city Drawing on key theorists in anthropology sociology urban studies and political science he outlines a new relational theory of sociality and spatiality **Israel** Daniel Isaac Block,2008 Israel Ancient Kingdom or Late Invention is a collection of essays responding to the radical claims that Israel and its history actually began following the Babylonian exile and that the history of Israel we read about in the Bible is a fictionalized account Contributors are leading Bible and archaeology scholars who bring extra biblical evidence to bear for the historicity of the Old Testament and provide case studies of new work being done in the field of archaeology and Old Testament studies

Jaffa Ruth Kark,1990 **Tel Aviv-Jaffa, One City, Two Worlds** Shoshana Elharar,2021 This dissertation concentrates on one urban site Tel Aviv Jaffa in Israel The hyphen between the two names Tel Aviv and Jaffa alludes to their separated past present and maybe future In the past they were two cities Tel Aviv the younger was established in 1909 while Jaffa is thousands of years old The focus of this dissertation is the last century During this significant historical period as modernity gave way to the postmodern period we find the erection of Tel Aviv suburb next to the old city of Jaffa a small Jewish site that grew in time to become the country's leading city Each of these two cities was independent until 1950 when international and local circumstances led to their unification into one city carrying both names Tel Aviv Jaffa with a hyphen added between the two names Drawing on thousands of archival documents primary and secondary sources guided tours in both parts of the city and interviews this dissertation charts the changing relations of these two sites Exploration of both cities jointly is quite rare This dissertation analyses both parts before their unification and why the new Jewish immigrants to Jaffa separated themselves physically from the Arabs spirit continuing with the unification of the two cities into one and ending with the contemporary state of both sides of this one hyphenated city It concludes with the question is it better considered as one or two as just moving from one side to the other reveals the feeling of crossing from one world to another The Middle East ,1948 Includes Who's who in the Middle East Israel Directory ,1972 **Tel Aviv, Jaffa** Israel.
