Dr. A. K. Uppal, Discover comprehensive knowledge about health and physical education with this Class 12 textbook. This thoroughly revised edition covers essential topics through systematic chapters and detailed explanations. The book integrates theoretical concepts with practical applications helping students understand the importance of physical fitness and healthy living. It includes in-depth coverage of sports, exercise science, nutrition, and wellness principles. The content is structured to aid better retention and understanding, featuring clear illustrations and diagrams. Perfect for Class 12 students preparing for their board examinations, this textbook aligns with the latest curriculum requirements. The well-organized chapters make complex concepts easily digestible while practice questions help reinforce learning. Whether you're interested in sports science or looking to build a strong foundation in health education, this textbook serves as an invaluable resource for academic excellence.

Placements and Work-based Learning in Education Studies Jim Hordern, Catherine A. Simon, 2017-01-06 Written specifically for education studies students, this accessible text offers a clear introduction to placements and work-based learning, providing an insight into work in schools and education settings. Including case studies to illustrate the diversity of placements and workplace opportunities, it explores the theory and practice of working in educational contexts and supports students as they develop the skills and aptitudes that enhance their employability. With the aim of helping students to prepare for and get the most out of their work placements, chapters include the nature of work-based learning, on placement, preparing for your placement, placements in schools and other educational settings, learning on field trips and study visits, working with students with specific learning difficulties, dyslexia, on placement, international placements. Part of the Foundations of Education Studies series, this textbook is essential reading for students undertaking courses in Childhood Studies, Child and Youth Studies, and Education Studies.
