Sometimes Mountains Move:

Sometimes Mountains Move Charles Everett Koop, 1987 **Sometimes Mountains Move** C. Everett, Elizabeth Koop, 1983 **Worshiping on the Way** Jonathan Landry Cruse, 2025-01-07 In *Worshiping on the Way* Pastor Jonathan Cruse explains how the Psalms of Ascents Psalms 120-134 sung by Hebrew pilgrims making their journey up to Jerusalem are divinely adept to cultivate desire and maintain determination for the things of God. And this was not just for Old Testament saints. These same songs give the Christian church a glimpse of our heavenly Jerusalem and pull our hearts and our affections in that direction. See how these psalms can spur corporate worship during our earthly pilgrimage in anticipation of our worship in the heavenly Mount Zion. As Cruse reminds us, "This is where we must regularly find ourselves until the day we lay our burdens down, having made it the whole way up."

The Faith That Moves Mountains Arisnel Mesidor, 2017-08-21 *The Faith That Moves Mountains* How to Have It, How to Use It, and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11:20-25. If you feel like you have a huge and intimidating mountain standing in front of you, if you feel like a huge wall prevents you from entering into your promised land, if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God-given destiny, this book is written for you. The purpose of the book is to reassure you that God has not forgotten you, even if it feels like so at times. That you have found yourself in precarious situations at one point or another in your life is not a result of God's indifference toward you. This book reminds you that even before God brought you into this world, he made provisions in order for you to be able to deal with such circumstances. You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it. In this book, I will teach you about the nature of the faith that moves mountains. I will try to explain the nature of that faith, how to have it, how to use it, and how to protect it. I want you to realize that you don't always have to put up with things that prevent you from moving forward in your life and toward your God-given destiny. I encourage you to keep this in mind, not knowing whether or not something negative is happening to you is part of how God is working in your life. You need to pray and make your desire known to God. As God's servant, you never need to hide your frustration from him and shy away from letting the one who loves you know what you need. My prayer is that after realizing how powerful faith in God is, you may put yours into good use. God did not put us in this world without carefully equipping us for every challenge we would face. God has not created us either as simple tools he can use whenever or for whatever he wants. Rather, God has made us acting beings able to do things, and in fact, the things which he himself does. God created us in his image and has made us his associates in looking after everything he created. Discover the power of faith in God and triumph over the mountains of life.

Hard To Dance With the Devil On Your Back Ray Buckley, 2010-10-01 In every culture and time, persons of faith of all ages have summoned trials and tribulations to find the endurance and strength to dance.
