Reform the People Paul John Bailey,1990 During China s transition from

imperial monarchy to republic great changes occurred in popular education After 1900 Chineseeducators began to stress the

importance of educating all the peoplerather than just training an elite for government service Associatedwith popular

education was an attempt to reform those customsand behaviours that were thought to be decadent and backward so setting

the foundations of post 1949 Communist China Reform the People is an intellectual history of the earlyyears of popular

education in China and an account of how the new ideaswere put into practice Paul Bailey draws on a wide variety of sources

in particular contemporary Chinese educational journals notavailable in the West and describes how the educators

promotedliteracy by establishing day schools vocational schools and publiclibraries and encouraged a hard working

disciplined andpublic spirited citizenry The author also throws new light on the work study movement inFrance promoted by

Chinese anarchists in the early years of theRepublic and relates the ideas behind it to the educational debatebegun during

the last years of the Qing dynasty Reform the People makes an important contribution to thesocial history of ideas and shows

that despite the political turmoil ofthe early republic there was an essential continuity in thought andpractice which spanned

the two political systems
