## **The African Elephant:**

*The Natural History of the African Elephant* Sylvia K. Sikes, 1971      *Africa's Elephant* Martin Meredith, 2001 Yet elephant history has been dominated by periods of brutality and persecution African elephants were used in ancient times to fight in wars The Romans threw them into gladiatorial games But above all it was the demand for their ivory prized for centuries as a badge of wealth and status and used in modern times to manufacture piano keys and billiard balls that has made Africa's elephants one of the most vulnerable animals on earth In the late twentieth century the onslaught was so severe that the African elephant was placed on the list of endangered species **BOOK JACKET**      **African Elephant, The** Colleen Sexton, 2008-08-01 Weighing as much as 16 000 pounds the African elephant is a huge dangerous animal Its massive body can crush anything in its way After reading this book children will understand why a charging African elephant is something to fear      **The Last Giants** Levison Wood, 2020-04-02 Levison Wood's documentary series on WALKING WITH ELEPHANTS is available to watch now on Channel 4 This book comes at a critical time Fifty years ago Africa was home to just over 1.3 million elephants but by 1990 the number had halved Meanwhile in the span of a lifetime the human population has more than doubled In Levison Wood's *The Last Giants* he explores the rapid decline of one of the world's favourite animals Filled with stories from his own time spent travelling with elephants in Africa and documenting their migration in his Channel 4 series *Walking With Elephants* the book is a passionate wake up call for this endangered species we take for granted *The Last Giants* was written to inspire us all to act to learn more and help save the species from permanent extinction      **The African Elephant** Roger L. DiSilvestro, Christopher N. Palmer, 1991-09-10 From The National Audubon Society an internationally known organization working on behalf of environmental and wildlife conservation causes comes this exquisite photographic essay on the African elephant Using dozens of full color photographs it depicts the life and struggles of these majestic beasts from their significance in Roman Greek and Victorian society to Africa's current fight to save its elephants Examines all facets of the African elephant's life and provides in depth coverage of one of the most widely covered conservation issues of today the poaching and slaughtering of African elephants for their ivory      **The African Elephant** John Albert Torres, 2004 Describes the characteristics of the African elephant the fight to stop poachers from killing them their loss of habitat and conservation efforts to keep them from becoming extinct Includes Internet links to Web sites related to elephants      **African Elephants** Daryl Balfour, Sharna Balfour, 1997 An illustrated guide to the elephants of Africa Colour photographs display a variety of elephant moods and activity in natural habitats in Africa highlighting in particular their intelligence and social behaviour      *The African Elephant* Rennie Montague Bere, 1966 Illustrated with photographs this book describes the patterns of elephant society the phases of their life courtship mating birth death their physical characteristics the habits of their daily life and their individuality Publisher's note      **The African Elephant --**, 1970      *African Elephant (Young Zoologist)* Dr. Festus W. Ihwagi, Neon Squid, 2022-09-27 Head on safari to the grasslands
