Essentials of Public Speaking Robert I. Fulton, 2015-06-02 Excerpt from *Essentials of Public Speaking For Secondary Schools* The growth of interest in public speaking in the secondary schools throughout the United States during the past decade has been phenomenal The principal high schools and academies are not only supporting vigorous debating societies and oratorical associations but are engaging in friendly contests in debate and oratory with their rivals This has led to a demand for systematic instruction in the fundamentals of good reading and good speaking and leading secondary schools recognizing this demand are establishing courses to that end The aim of the authors of this volume is to meet this need to present sufficient instruction for practical purposes and not to overburden the student with too extended discussions of the philosophy of expression It has been the endeavor to discuss simply and to the point the essential elements of good delivery to give short illustrations for applying the principles and then to provide whole selections for practice We have tried so to simplify instruction that the average teacher who has been chosen to do this work whether he has had extended technical instruction or not shall be able to acquire sufficient skill from the discussions contained in these pages to become of material service to young students of public speaking We have followed mainly our plan published in 1893 in the *Practical Elocution* and we trust that this never and simpler treatment designed for younger students will add interest to the study of the elements of effective delivery and inspire confidence in those who would acquire proficiency in the art of persuasive speaking About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition

We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Public Speaking Skills** Jennifer White,2015-01-07 A conversation commits partial an detail Public speaking isn t something that sweat even at the prospect of speaking to a handful of people Why a group some of us stammer and become nervous even when they have to speak to an unfamiliar person on a one on one basis But if you take care of a few things public speaking won t be all that difficult These book gives few tips that will guide you
