**The Killer Ghost** Bedrettin Simsek,2021-06-15 A novel full of mysteries about death and life for

those who have lost God and are searching for Him An example of a new different alternative literature of thought So far authors have written countless books about death without being able to tell us anything meaningful about it This time Bedrettin Simsek s novel inspired by real cases of reincarnation that took place in Turkey is not about those who die mysteriously but about those who are mysteriously born When he asks Is there a connection between reincarnation God and schizophrenia he gives answers that have not been given before He asks the questions that have not been asked In a mysterious murder investigation the search for the killer eventually leads us to find God When a murder is solved the mysteries of existence are solved What comes out of the criminal s mind reveals that birth is actually a much more mysterious event than death For those who want to think while reading to encounter new and daring ideas I see not only the great truth behind everyday events but also what happens in this world and in other worlds even before birth and after death and I describe these mysteries in my writings Bedrettin Simsek
