## Solitary Summer:

**The Solitary Summer** Elizabeth von Arnim, 2011-11-03 I want to be alone for a whole summer and get to the very dregs of life I want to be as idle as I can so that my soul may have time to grow Nobody shall be invited to stay with me and if anyone calls they will be told that I am out or away or sick Wouldn't a whole lovely summer quite alone be delightful This delightful companion to the famous Elizabeth and her German Garden is a witty lyrical account of a rejuvenating solitary summer filled with books and Elizabeth's reflections on her beloved garden Descriptions of magnificent larkspurs and burning nasturtiums give way to those of cooling forest walks Yet the months aren't as solitary as she'd planned there's still her husband to pacify and the April May and June babies to amuse **The Solitary Summer, by Elizabeth Von Arnim**

Elizabeth Arnim, 2016-04-05 This delightful companion to the famous Elizabeth and Her German Garden is a witty lyrical account of a rejuvenating summer Descriptions of magnificent larkspurs and burning nasturtiums give way to those of cooling forest walks and of clambering up the mud bank when the miller is not in view Rainy days prompt a little philanthropy until the sun returns the gardener to the refuge of her beloved plants Yet the months are not as solitary as she'd planned there's the Man of Wrath to pacify and the April May and June babies to amuse Here with the pleasing astringency for which she is noted Elizabeth von Arnim returns to the heroine and the garden she immortalized *The Solitary Summer* Elizabeth Von Arnim, 1900 **The Solitary Summer** Elizabeth, Elizabeth Von Arnim, 1900 [The Solitary Summer](#)

Elizabeth Von Arnim, 2007-06 The Solitary Summer written by author Elizabeth Von Arnim is a companion to her popular Elizabeth and Her German Garden In The Solitary Summer she focuses on a summer filled with rejuvenation in the midst of a search for finding identity and meaning in her life Successful in life with marriage and children the main character finds that she needs to find herself as she feels a large void in her life This is an excellent book for those who are fans of the works of Elizabeth Von Arnim and for individuals who have read Elizabeth and Her German Garden **The Solitary Summer**

Elizabeth, German Garden, Elizabeth von Arnim, 2009-03-01 *The Solitary Summer* Arnim Elizabeth von, 2023-07-13 The Solitary Summer by Elizabeth von Arnim is a reflective narrative that explores the themes of solitude nature and personal growth The protagonist often referred to as the narrator expresses a desire to spend an entire summer in solitude away from societal obligations and distractions to connect deeply with nature and herself She envisions a summer filled with idleness allowing her soul to grow and her mind to find peace The narrative unfolds in a serene garden setting where the protagonist finds joy in the simple pleasures of life such as the beauty of flowers the tranquility of the countryside and the companionship of books Throughout the summer she engages with various authors including Thoreau Goethe and Whitman whose works inspire her reflections on life and happiness The narrative also touches on the dynamics of her relationship with her husband the Man of Wrath who is skeptical of her solitary aspirations but ultimately supportive The protagonist's interactions with her children and the village schoolmaster add layers to her introspection highlighting the contrast between her inner world and

the external realities of family life As the summer progresses she discovers that true contentment comes from within and that solitude can be a source of profound joy and enlightenment The book is a celebration of the quiet moments in life and the transformative power of nature and solitude **The Solitary Summer** Elizabeth Von Arnim,2010-03-01

**The Solitary Summer** by Elizabeth von Arnim author of Elizabeth and her German Garden has captivated many This book is a diary May September of a woman with 3 small babies who wants to spend the entire summer to herself The first page of The Solitary Summer begins May 2nd Last night after dinner when we were in the garden I said I want to be alone for a whole summer and get to the very dregs of life I want to be as idle as I can so that my soul may have time to grow Nobody shall be invited to stay with me and if any one calls they will be told that I am out or away or sick I shall spend the months in the garden and on the plain and in the forests I shall watch the things that happen in my garden and see where I have made mistakes On wet days I will go into the thickest parts of the forests where the pine needles are everlastingly dry and when the sun shines I ll lie on the heath and see how the broom flares against the clouds I shall be perpetually happy because there will be no one to worry me And so begins The Solitary Summer filled with books the garden nature thoughts and reflections She also has conversations with her husband who does not believe she can endure an entire summer without visitors The Solitary Summer is a sweet and relaxing read just as restful as Elizabeth and her German Garden Readers will find it easy to get lost in the beautiful prose and become so removed from my everyday stresses that it seems as if they were meditating instead of reading The Solitary Summer answers the desire that most people have felt the desire for peace and solitude as so aptly described in this poignant work **The Solitary Summer** Von Elizabeth Arnim,2007-11-01 **The Solitary Summer**
