Edgar Cayce's Atlantis Gregory L. Little, Lora Little, John Van Auken, 2006-02 From the ancient Akashic Records renowned psychic Edgar Cayce gives an amazingly detailed and fascinating vision into the legendary world of Atlantis and its extraordinary people The section on the people and places of Atlantis is exclusive to Cayce's visions into this celebrated paradise Cayce's readings describe the powerful crystal the flying machines that could soar through the air under water and out into space the energy generators that harnessed the sun's rays and channeled them into building a magnificent country of luxury wealth and peace Cayce's discourses describe how the Atlanteans rejuvenated their bodies regularly allowing them to live hundreds of years longer than we do today But he also tells of how this great culture fell from grace and power destroying itself and its continent in the process In a strangely prophetic discourse Cayce says that many ancient Atlanteans are reincarnating in the world today bringing with them both the good and evil of that ancient land Drs Gregory and Lora Little and John Van Auken present this story in an absorbing narrative of the legends of Atlantis and the latest discoveries in the ongoing search for remnants of the lost continent The book contains over a hundred illustrations some never published before Included in the story of Atlantis are vignettes of the forgotten lands of Mu and Lemuria the legend of Lilith and Amilious Plato's history and strange creatures of Atlantean lore This book includes a complete description of and update on the three Atlantean record caches that Edgar Cayce identified and the modern day explorations seeking to find these lost halls of the ancient records Back cover **The Great Sphinx of Giza : The Pharaohs' Eternal Guardian - History Kids Books | Children's Ancient History** Baby Professor, 2017-05-15 A sphinx is a mythical creature that has a human's head
