Wolfe,2002     *The Emergence of Social Space* Kristin Ross,2008-01-17

The 1870s in France Rimbaud s moment and the subject of this book is a decade virtually ignored in most standard histories in France Yet it was the moment of two significant spatial events France s expansion on a global scale and in the spring of 1871 the brief existence on the Paris Commune the construction of the revolutionary urban space Arguing that space as a social fact is always political and strategic Kristin Ross has written a book that is at once a history and geography of the Commune s anarchist culture its political language and social relations its values strategies and stances Central to her analysis of the Commune as a social space and oppositional culture is a close textual reading of Arthur

Rimbaud's poetry His poems a common thread running through the book are one set of documents among many in Ross's recreation of the Commune experience Rimbaud Paul Lafargue and the social geographer Lise Reclus serve as emblematic figures moving within and on the periphery of the Commune in their resistance to the logic and economy of the capitalist conception of work in their challenge to work itself as a term of identity all three posed a threat to the existing order Ross looks at these and other emancipatory notions as aspects of Commune life each with an analogous strategy in Rimbaud's poetry Applying contemporary theory to a wealth of little known archival material she has written a fresh persuasive and original book The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry filmmakers have relied heavily upon literature as the foundation for their movie material Well known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era as were such books as Thomas Dixon's Jr's The Klansman basis for the film Birth of a Nation In recent years Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names A guide to English language works that have been adapted as theatrical and television films this volume includes books both fiction and non-fiction short stories newspaper and magazine articles and poems Entries are arranged alphabetically by literary title with cross listings for films made under different titles Each entry includes the original work's title author year of first publication literary prizes and a brief plot summary Information on film adaptation's of the work including adaptation titles director screenwriter principal cast and the names of the characters they portray major awards and availability in the most common formats DVD VHS is also offered The Language, Discourse, Society Reader Denise Riley, 2004-08-13 For the last twenty five years Language Discourse Society has been the most intellectually challenging series in English Its titles range across the disciplines from linguistics to biology from literary criticism to law combining vigorous scholarship and theoretical analysis at the service of a broad political engagement This anniversary reader brings together a fascinating group of thinkers from both sides of the Atlantic with an introductory overview from the editors which considers the development of theory and scholarship over the past two decades **Poetry and Cultural Studies** Maria Damon, Ira Livingston, 2009 A collection of critical texts exploring poetry's engagement with the social **A Pictorial History of Sex in Films** Parker Tyler, 1974 Gay rape p 148 149 The gay sexes p 150 162 Camp sex p 163 174 **Spider's Kiss** Jesse Sprague, 2019-12-11 Silvia is a spider queen without a throne Having escaped the destruction of her race of shape shifter spiders Silvia has lived her life enslaved in the bowels of the galaxy's most infamous brothel Her confinement keeps humanity safe from her powerful kiss which brings death insanity or worse contamination by the Dramblish gene converting the victim to one of her spider brethren Dead set on obtaining freedom and rebuilding her race Silvia focuses in on the one man who stands between her and her goals Police Chief Berrick Trehear a man whose absolute belief in the law was cemented by his wife's death knows that opposing the spiders is the right choice But when Silvia ensnares the widower's only daughter the threat to his child

complicates his choice Defeating the spiders may be his only way to protect both his daughter and the universe from the spider s kiss Survival is the goal but not everyone can triumph in this game of mortality madness and lust Spider and Carabid Beetle Activity-density and Diversity in a Forest-field Matrix and the Effects of Agricultural Disturbance and Cover Crop Type Jeremy Koushyar Moghtader,2004 Edgeworks Harlan Ellison,1996 A major collection of his incomparable troublemaking uncompromising confrontational essays V 3 cover The School Room Chorus ,1890 New and Renewed Brian Lynch,2004 **M'lle New York** ,1895 **TV Guide** ,2001 **The Armchair Detective** ,1996 **Exile** ,1987

*Povel* Geraldine Kim,2005 Povel is a compulsive reading and writing experience a fantastic extended excursion into the mind and life in words of Geraldine Kim a young first generation Korean American woman born into the most modern of all situations the end of the 20th century in a small town in New England whence she launches herself through venues urban and cerebral academic and commercial The book length poem s stream of consciousness is trained and leashed and its form is strictly if arbitrarily regulated by another of our most modern conveniences the justified stanza which provides not only a container for the author s thinking saying and doing but also a means of signification This is a poem novel or povel by virtue of its self reliance and its bold marking of territory Povel is in the author s own words a successful merging between confessional verse poetry and the novel hence the coinage of its title Povel is also a radical entry in the annals of the several genres The author purports an omniscient skepticism about its future that it will ever be read that it can be appreciated Its reader cannot help but be amazed and heartened at the vigor this book injects into its chosen forms and the humor with which its despair is tempered Once a Week ,1875 Science Fiction, Fantasy & Horror ,1991 A comprehensive bibliography of books and short fiction published in the English language
