Spiky Spunky My Pet Monkey:

Spiky, Spunky, My Pet Monkey Doug MacLeod, 2004 The world of Spiky Spunky My Pet Monkey is one of smiles and shadows giggles and grunge where nothing stays dead for long and most things explode Nearly all the rhymes have nasty stings in the tail Some of them leave you gasping Others leave you rolling around on the floor begging for new pants From the author of *Sister Madge's Book of Nuns* and *Tumble Turn* this is vintage gallows humour for all ages but mainly The Middle Ages

I'm Being Stalked by a Moonshadow Doug MacLeod, 2006-03-06 Did you know that grasshoppers hear with their legs And a pregnant goldfish is called a twit Seth Parrot knows hundreds of little facts like these because his father tells them to him What Seth doesn't know is Where do you meet muscular girls How do you make them fall in love with you Would a different haircut help Is credit card fraud a good idea What on earth is a moonshadow By the end of the story Seth will know the answer to four of these questions They won't come from his father They'll come from a very wise magazine called *Dolly* From the author of *Tumble Turn* comes a hilarious new novel about muscles love and a flower hating Eastern European

The Clockwork Forest Doug MacLeod, 2008-03-03 Life would be a whole lot easier if dead things had the decency to remain dead Nothing is how it seems in the forest Your best friend may turn out to be your worst enemy A deadly poison might save your life And two smiling children could become the most horrifying monsters of all Morton is sure of one thing however His four treasures are lost somewhere in this forest and he has to find them or life is not worth living Mind you with bizarre perils lurking behind almost every tree Morton's life could end at any moment If that isn't bad enough he is travelling without a handkerchief Funny and sinister this is Doug MacLeod at his scary and entertaining best

Siggy and Amber Doug MacLeod, 2009-06-01 I want to see what's behind the door Amber maybe we should leave We can't back out now There is something strange at Tallis Point Siggy knows because he's seen it And now the mysterious non blonde Amber wants to see it too Should Siggy take Amber to Tallis Point On the good side he might end up with a girlfriend On the bad side he might explode It's a tough decision Funny touching and outrageous Siggy and Amber is Doug MacLeod at his very best

Tigers on the Beach Doug MacLeod, 2014-03-01 Have you heard the one about the guy who lost a grandfather but found a girlfriend It's funny It's also kind of sad And some of the bits that are sad are also kind of funny but only if you laugh at that sort of thing Adam thinks Samantha could be the one for him But first he has to sort out his parents crumbling marriage stop getting into embarrassing situations involving public nudity find out what's making his gran so angry stop his little brother doing something really really dangerous and work out what's so funny about two tigers on a beach It can't be that hard can it A novel about how comedy unites and divides us from the award winning author of *The Shiny Guys* and *The Life of a Teenage*
