Spirit Lake

Douglas B. Lee

Spirit Lake:

History of the Spirit Lake Massacre and Captivity of Miss Abbie Gardner Abbie Gardner-Sharp, 1894 *A Fate Worse Than Death* Gregory Michno, Susan Michno, 2007 Captivity narratives have been a standard genre of writings about Indians of the East for several centuries. Until now the West has been almost entirely neglected. Now Gregory and Susan Michno have rectified that with this painstakingly researched collection of vivid and often brutal accounts of what happened to those men and women and children that were captured by marauding Indians during the settlement of the West.

Inkpaduta Paul N. Beck, 2014-10-22 Leader of the Santee Sioux Inkpaduta 1815-79 participated in some of the most decisive battles of the northern Great Plains including Custer's defeat at the Little Bighorn. But the attack in 1857 on forty white settlers known as the Spirit Lake Massacre gave Inkpaduta the reputation of being the most brutal of all the Sioux leaders. Paul N. Beck now challenges a century and a half of bias to reassess the life and legacy of this important Dakota leader. In the most complete biography of Inkpaduta ever written, Beck draws on Indian agents' correspondence, journals, and other sources to paint a broader picture of the whole person, showing him to have been not only a courageous warrior but also a dedicated family man and tribal leader who got along reasonably well with whites for most of his life. Beck sheds new light on many poorly understood aspects of Inkpaduta's life, including his journeys in the American West after the Spirit Lake Massacre. Beck reexamines Euro-American attitudes toward Indians and the stereotypes that shaped nineteenth-century writing, showing how they persisted in portrayals of Inkpaduta well into the twentieth century, even after more generous appreciations of American Indian cultures had become commonplace. Long considered a villain whose passion was murdering white settlers, Inkpaduta is here restored to more human dimensions. Inkpaduta, Dakota Leader, shatters the myths that surrounded his life for too long and provides the most extensive reassessment of this leader's life to date. Effects of the Eruptions of Mount St. Helens on Physical, Chemical, and Biological Characteristics of Surface Water, Ground Water, and Precipitation in the Western United States Douglas B. Lee, 1998-12 This sourcebook addresses the breadth of the effects of the volcanic eruptions of Mount St. Helens in 1980 on lakes, rivers, streams, the Columbia River Estuary, ground water, and precipitation in the Western U.S. Data and conclusions from scores of reports and scientific papers are reviewed, covering the myriad of subjects involved in characterizing the Geological Survey, other Federal, and State agencies, and individual researchers are summarized. Extensive references are cited. Tables and map in pocket. Report of the State Fish and Game Warden for the Biennial Period Ending ... Iowa State Fish and Game Warden, 1876 Legislative Documents Submitted to the ... General Assembly of the State of Iowa Iowa. General Assembly, 1898 The History of Poweshiek County, Iowa, 1880
