Victor L. Schermer

Spirit Of Ecstasy:

Eternity and Time's Flow Robert C. Neville, 1993-01-01 Neville returns eternity to the center of consideration by analyzing the obsessive culture that attempts to get along denying it and he analyzes the nature of time's flow itself the nature of divine eternity and the subtle problems of personal immortality He argues that time and eternity constitute one topic and that therefore time itself is beyond understanding beyond personal grasp and beyond civilized orientation without a proper comprehension of eternity

Spirit and Psyche Victor L. Schermer, 2003 This book explores the expanding literature on spirituality as an important dimension of psychology and explains the relationship between psychological treatment and spiritual healing The author examines ideas from religious traditions and considers their implications for psychotherapy and personal growth

Embodied Spirituality in a Sacred World Michael Washburn, 2012-02-01 Anyone seeking a deeper understanding of human spirituality will find something of value in Michael Washburn's new book Drawing on a rich variety of psychoanalytic Jungian and existential phenomenological sources and on both Western and Asian spiritual texts Embodied Spirituality in a Sacred World provides a theoretical foundation for the idea that human development follows a spiral path Washburn shows that ego development early in life requires us to turn our backs on original sources of our existence and therefore that spiritual development later in life requires us to spiral back to these sources on the way to whole psyche integration He elucidates the underlying causes and pivotal events that set development on its spiral course and traces six major dimensions of experience as they unfold along the spiral path the unconscious the energy system the ego system the perceived other the experiential body and the life world In providing a theoretical foundation for the idea of the spiral path Washburn defends the idea against its critics and helps explain why the idea has been compelling to so many people in diverse traditions

Now Concerning Spiritual Things Fitzroy John Willis, 2019-11-13 In a pluralistic world of competing truth claims how can one discern what is truly representative of God How can we live and communicate what is authentically spiritual How do we bridge the religious impasse between believers and a post Christendom and pluralistic context where individuals may consider themselves to be spiritual yet are offended by the person of Jesus Can relativism be an effective means of evaluating truth from falsehood What role should race gender and socioeconomic background play in society and the church These are just a few of the questions this study addresses in presenting a more balanced dialogical and biblical criterion for authentic spirituality The insights on how to discern live and communicate what is authentically spiritual are significant for interreligious and ecumenical dialogue across denominations These insights contribute a way to more effectively communicate divine truths to all for it is conversant with various sources of knowledge about God and is accountable to feedback from these sources of truth For example tacit knowledge such as that derived from faith and spiritual gifts as well as rational or philosophical claims to truth along with Western Eastern and Southern modes of thinking are all incorporated

Living from above Jolanda Berendrecht, This book demonstrates a lifestyle in which Jesus is central

The author shows how by attaching yourself to Him you become increasingly filled with the Spirit Since in this way Jesus can work from within you it leads to the manifestation and recognition of Christ in your life Life in the Spirit challenges us to an adventure because it is so surprisingly opposite to what is generally the norm within our Christian world This is not a way of assignments methods standards and criteria On the contrary It is a life in the freedom of the Spirit a life that brings you out into a broad place within the Spirit a life in which your own identity can bloom and in which Jesus can be followed without any inhibitions It ends up being a life saturated by love from Above In an enthusiastic way with practical examples the author describes what it means to live by the Spirit of Christ This book incites and inspires us to walk that way from Above ourselves
