Teachings and Illustrations as They Emanate from the Spirit World Mary Theresa Shelhamer Longley,1908 *Hafed, prince of Persia: his experiences, being spirit communications received through D. Duguid, with an appendix [compiled by H. Nisbet]*. David Duguid,1876 *Engaging the Spirit World* Kirsten W. Endres,Andrea Lauser,2012-03-01 In many parts of the contemporary world spirit beliefs and practices have taken on a pivotal role in addressing the discontinuities and uncertainties of modern life The myriad ways in which devotees engage the spirit world show the tremendous creative potential of these practices and their innate adaptability to changing times and circumstances Through in depth anthropological case studies from Indonesia Malaysia Thailand Myanmar Laos and Vietnam the contributors to this book

investigate the role and impact of different social political and economic dynamics in the reconfiguration of local spirit worlds in modern Southeast Asia Their findings contribute to the re enchantment debate by revealing that the spirited modernities that have emerged in the process not only embody a distinct feature of the contemporary moment but also invite a critical rethinking of the concept of modernity itself *Avatar: The Last Airbender and Philosophy* Helen De Cruz,Johan De

Smedt,2022-12-01 Would our world be a better place if some of us were benders Can Katara repair the world through care Is Toph a disability pride icon What does it mean for Zuko to be bad at being good Can we tell whether uncle Iroh is a fool or a sage The world is out of sorts The four nations Water Earth Fire and Air are imbalanced because of the unrelenting conquest of the Fire Nation The only one who can restore balance to the world is the Avatar On the face of it Avatar The Last

Airbender is a story about a lone superhero However saving the world is a team effort embodied in Team Avatar aka the Gaang Aang needs help from his friends and tutors even from non human animals Through the teachings of Guru Pathik and Huu he comes to realize that though the world and its nations seem separate we are all one people We all have the same roots and we are all branches of the same tree Avatar The Last Airbender and Philosophy brings to the fore the Eastern

Western and Indigenous philosophies that are implicit in the show Following Uncle Iroh s advice that it is important to draw wisdom from many traditions this volume features contributions by experts on Buddhist Daoist Confucian and Indigenous schools of thought next to focusing on Western classical authors such as Plotinus Kant and Merleau Ponty The volume is also unique in drawing on less common traditions such as black abolitionism anarchism and the philosophy of martial arts Intertwining experience and reflection ATLA and Philosophy helps readers to deeply engage with today s burning questions such as how to deal with ecological destruction the aftermath of colonialism and genocide and wealth inequality using the tools from a wide range of philosophical traditions *The Spirit World* Khalid A.
