**Break Through the Power in Your Name** Maryann Cullen,2013-12-10 The power in your name is in its letters Each and every one of us can break through this power How By understanding the meaning of each letter and the

energy that it brings to our lives This gives us the freedom to correct any unfavorable behaviors addictions and habits that compromise our wellbeing and happiness The energy of each letter including its features and characteristics have been examined and given their correct place in the alphabet over many centuries Now Maryann Cullen a respected numerologist since 1984 dissects influential events in the lives of various well known figures to show readers how the letters in their names have led them to behave and react in certain ways and accomplish certain leaps By reading through these examples you can examine how the letters in your full birth name have impacted your own life thus giving you the power to change your future by altering your name or nickname if necessary and making the best letter choices for naming your child **The Power of Saving Wisdom** Cornelis Bennema,2002 Cornelis Bennema elucidates the soteriological function of the Spirit in the Fourth Gospel and analyzes the interrelationship between John s pneumatology and soteriology along the trajectory of wisdom As a possible conceptual background for aspects of Johannine pneumatology he selects the Jewish wisdom tradition and suggests that sapient Judaism understood salvation as an intensification of that work of the Spirit that is already immanent to a person namely the mediation of life and wisdom The development of an overall model of Johannine soteriology which holds together both the relational and cognitive aspects of salvation assists in identifying the specific activities in which the Spirit is involved The author argues that the soteriological function of the Spirit is twofold First the Spirit creates a saving relationship between the believer and the Father and Son by mediating to people the saving wisdom present in Jesus life giving teaching The Spirit thus enables the believer to come to an adequate understanding and belief response Second the Spirit sustains this saving relationship through further mediation of wisdom that enables the believer to demonstrate discipleship as an ongoing belief response Hence the Spirit accomplishes his soteriological role precisely in his function as a life giving cognitive agent i e through the mediation of saving wisdom the Spirit provides cognitive perception understanding and so life This concept of the Spirit is the most important continuity between the models of salvation in sapient Judaism and in the Fourth Gospel *Break That Curse!
