The Spirit-Led Heart Suzanne Eller, 2018-05-01 New from Bestselling Proverbs 31 Author Suzanne Eller Without realizing it we've gotten lost in our own little lives We've settled for good enough and days that run together in an unmemorable blur We long for something to shake us up but we're exhausted by the thought of it too In her warm vulnerable style bestselling Proverbs 31 author Suzanne Eller shows how living and loving without limits has nothing to do with your own efforts and it has everything to do with God's Holy Spirit Unpacking the promises and teachings Jesus shared with the disciples about the Holy Spirit Suzanne shows how you can stop settling and start truly living When you learn to unwrap the gift of his presence you'll find the world changing foundation shaking soul stirring life of passion and purpose God is waiting to give you

The Spirit-Led Leader Timothy C. Geoffrion, 2005-11-14 In our postmodern experience oriented culture people are longing for greater authenticity integrity and depth in their pastors and leaders Board directors church members and staff alike are all eagerly seeking leaders who effectively integrate their spirituality and leadership Pastors and executives however often struggle with knowing how to integrate their spiritual values and practices into their leadership and management roles Designed for pastors executives administrators managers coordinators and all who see themselves as leaders and who want to fulfill their God given purpose The Spirit Led Leader addresses the critical fusion of spiritual life and leadership for those who not only want to see results but who also desire to care just as deeply about who they are and how they lead as they do about what they produce and accomplish Geoffrion creates a new vision for spiritual leadership as partly an art partly a result of careful planning and always a working of the grace of God

And the Spirit Led Me Jacqueline Jenkins Keenan, 2010-11-17 This book is a must read for anyone whose church is struggling with the issue of homosexuality It is the story of a part time seminary student and church bulletin stuffer who successfully challenged the old and refuted science in the Episcopal Church's theological explanation for consecrating a partnered gay bishop Further it was only as her

own faith grew that she was given a voice to tell the leaders of the worldwide Anglican Communion what she had learned But first she had to learn how to forgive those who had injured her as she lived in an angry polarized church And even as she was called forward she was plagued by eerily timed deaths and a life threatening illness While that happened she made shocking discoveries about the politics in our society that masquerades as science and even more shocking discoveries of underhanded politics in the church But this story is not just a documentary of a failing church It is a warning and ultimately an encouragement regarding the effects of culture wars in the church A failure to live in community first and to engage in honest respectful theological discernment is destroying a denomination and threatening a worldwide church But the story also shows Gods amazing ability to offer new life to the faithful in the face of difficult and destructive circumstances
