

OFFERING TIME IN THE SANCTUARY

As an act of faith, love, gratitude,
and a heart for You and Your house,
we bring our tithes and offerings
from our house, and release them
here into Yours. Because I am a
generous and consistent giver, the
fear of lack has been broken and has
no power over me.

As a gift today, I am believing you
for: Health and healing, jobs and
better jobs, raises and bonuses,
benefits, sales and commissions, bills
paid off, favorable settlements, checks
in the mail, scholarships and grants,
gifts and surprises, finding money,
blessings and increase, and I will
never be BROKE another day in my
life!

Thank You, God, for watching over
Your word to perform it in my life,
my family, and my money. You have
blessed me to be a blessing, and I
have more than enough to give, so
that your vision and purpose for this
house may be fulfilled in Jesus name

Amen

The House That God Built Zebedee King, 2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders

typically reexamine the blueprints the master plans to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation. It is the author's conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land. In his book *The House that God Built: God's Master Plan for Marriage and His Blueprint for Blessing*, Book One of his *Strong Foundation for Strong Families* series, the author discusses the need for a RE Vision of marriage and the family but not by redefining, replacing, or removing these honorable foundations and pillars which have supported societies from the beginning of time. Rather, by employing the word RE Vision, he calls for a refocus: a fresh new look at God's original design for the marriage and family. This plan is found in God's Holy Word, especially the first two chapters of the Book of Genesis, because this is where marriage, family, and social systems began. Therefore, the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house, the heavens, and the earth. This study provides keen spiritual and practical insights as to how we can build our homes according to God's plans so as to receive His best blessings upon our homes and upon our communities.
