**The Spiritual Conferences** Saint Francis de Sales, Aeterna Press, 1909 At first sight it may appear unreasonable to say that conferences or spiritual lectures delivered within the walls of a single convent having its own special character not written by their author but from memory by his devout hearers can promise much usefulness beyond the order to which that house belonged or at most beyond the sphere of religious life Now so far from this being in our judgment the case we consider them practically calculated to do much good beyond the cloister and the chapter house of monastery or convent They will be read we trust with pleasure and we are sure with profit by devout persons living in the world by clergy and laity the former of whom will find in them invaluable principles and advice for the guidance of consciences while the latter cannot fail to derive from their study consolation encouragement and direction Aeterna Press The True Spiritual Conferences of St. Francis of Sales Francis of Sales, 2022-05-08 Reprint of the original first published in 1862 The True Spiritual Conferences of St. Francis of Sales. ....
