Practices of Love Kyle David Bennett,2017-08-22 Spiritual disciplines are often viewed primarily as a means to draw us closer to God While these practices do deepen and enrich our vertical relationship with God Kyle David Bennett argues that they were originally designed to positively impact our horizontal relationships with neighbors strangers enemies friends

family animals and even the earth Bennett explains that this horizontal dimension has often been overlooked or forgotten in contemporary discussions of the spiritual disciplines This book offers an alternative way of understanding the classic spiritual disciplines that makes them relevant doable and meaningful for everyday Christians Bennett shows how the disciplines are remedial practices that correct the malformed ways we do everyday things such as think eat talk own work and rest Through personal anecdotes engagement with Scripture and vivid cultural references he invites us to practice the spiritual disciplines wholesale and shows how changing the way we do basic human activities can bring healing renewal and transformation to our day to day lives and the world around us

Transformed Leadership Gary Taylor, 2013-03-01 The need of the church in America today is holiness When lives are transformed wholeness and holiness result Scripture provides the basis for transformation to take place and addressing this must include spiritual disciplines Prayer confession Bible study and other spiritual disciplines need to be practiced to build every believer's relationship with God and grow into His likeness In this way individuals and church leaders each become more effective in their spiritual lives The more disciplines are practiced the more effective leadership marks become apparent among the body of believers As a result the church becomes healthier When its leaders are transformed the whole church benefits This book intentionally addresses four groups in the church First all people attending church will be challenged to practice spiritual disciplines It will also challenge those who are training for Christian leadership as well as pulpit committees to stress that spiritual disciplines need to be found in a Christian leader Finally pastors will be challenged to personally incorporate spiritual disciplines into daily life to an even greater degree than before and urge the people they shepherd to do the same Spiritual disciplines supply the supportive structure for the transformation of Romans 12:1-2 to take place More than ever before leaders are searching for answers in order to move the church in the right direction Short term success appears to be more popular among God's people than long term effectiveness The practice of spiritual disciplines will build and deepen spiritual lives Core spiritual disciplines are foundational to build effective leadership marks in the lives of believers Gary's desire in ministry is to be out of work to train and develop spiritual leaders in the church who can do the work of the ministry Paul's final words to the elders in Ephesus were Guard yourselves and all the flock of which the Holy Spirit has made you overseers Be shepherds of the church of God which he bought with his own blood Acts 20:28 He then followed up with his benediction Now I commit you to God and to the word of his grace Feeding on the Word and maintaining an intimate trusting relationship with God are the keys that Gary emphasizes in this fine book As my pastor I have often heard him comment That's not a hill worth dying on There are many projects and programs that could be pushed in the church some good most not worth dying for But the one thing that is lacking is the development of men and women of God who consistently practice core spiritual disciplines Character counts
