Soulphoria Alessandra Sagredo, 2022-05-27 Women everywhere are exploring their spirituality and having exciting unfettered euphoric experiences Soulphoria is a mystical state of bliss that requires you to open the channels of your mind body and soul Each forms a bridge for the energy of your spirit to fly forth like a phoenix and burn brightly in the present moment It s a heat that sears through you yet doesn t burn and instead fuels your love of life *Spiritual Fingerprint* Madam Oracle, 2018-04-02 What is a Spiritual Fingerprint Your Spiritual Fingerprint is your Spiritual Marking Identity or Uniqueness Everyone is born with it although it s not recognized immediately it must be cultivated nurtured and matured such as the Biblical concept of seed time and harvest And as long as the mind is in the driver s seat of your life your Spiritual Fingerprint cannot be recognized by those in which you are supposed to mentor inspire or make an impression on the tablet of their heart therefore causing you to miss the mark We can go on debating all day on the various steps or approaches on how Enlightenment can be achieved but I will say this it does not matter how much you try to block your Spiritual Fingerprint out it will arise in your mind constantly as a reminder or an alarm letting you know that you must WAKE UP Your true POWER is in your hands without your hands you lose your identity in the Real World however in the Spiritual World you can only lose it if you do not recognize it if you ignore it if you misuse it or if you do not share it A Knowing Is the Issue of Life Dr. Elmyrra Foster, 2010-07-27 Do you ever wish you had the knowledge of life at age 20 that you have acquired at age 45 or 50 What happened This book will help set you free This book is about the hard curves we traveled in our life It answers questions we dare not ask and gives us answers to the hidden things of the heart This book discusses the taboos of life and gives an answer We travel many roads in life and there are no maps to help us avoid the pitfalls This book will help you regain the strength to throw out the garbage and renew a freshness to your spirit soul and mind without being fanatically religious There is wealth in KNOWING **A Month of Virtues for Healing and Healthy Living** Warren L. Naegele, 2016-05-12 A Month of Virtues for Healing and Healthy Living outlines thirty one daily reflections on virtues that can lead one to healing and to healthy living Warren L Naegele drawing upon decades of experience ministering to people in congregations and in clinical settings has crafted acrostics that build upon the letters spelling each virtue and that present inspiring thoughts dedicated to promoting personal wellbeing Each days reflection leads the reader to dwell on a particular virtue by sketching out the Bibles guidance offering the virtues related acrostic reflecting on the benefits of the virtue suggesting a prayer and listing suggested scriptural readings The most distinctive feature of each entry the acrostic uses the strengths of poetry to make its message memorable So for instance Joy finds its expression with these lines Jesus came into the world as the Only begotten Son of the Father Yes He is the Savior of the world When you survey your life and find you have the desire to grow spiritually to set out on a journey to healing and to change your habits and activities to ones that promote healthy living then A Month of Virtues for Healing and Healthy Living stands ready to supply a months worth of
