Spiritual Marriage:

Spiritual Marriage Ebenezer Gyasi, 2006-06-01 We live in a world where the spiritual is superimposed on the physical with the physical dovetailing into the spiritual People who allow events in their lives to pass without connecting them to spiritual issues not only don't understand what is happening to them they also can't do anything to change their world Nothing in this world happens by chance Not with God nor the devil In Ecclesiastes 8:4-6 we read Where the word of a king is there is power and who may say unto him What doest thou Whoso keepeth the commandment shall feel no evil thing and a wise man's heart discerneth both time and judgment Because to every purpose there is time and judgment therefore the misery of man is great upon him In the realm of the spirit there are no accidents There are certain spiritual truths you should know before you start dating having sex or start thinking about marriage Ignorance of spiritual matters may become a source of problems for you and your descendants If you violate any spiritual law without the appropriate atonement you will incur its ramifications Currently our sexuality is under tremendous attack Spiritual marriages to demonic entities have become a source of hidden problems in our relationships This manual along with a companion book *Killing Me Softly* exposes and helps you deal with evil enforcers assigned to fight against your home and family

Spiritual Marriage Dyan Elliot, 1993 As a paradigm patterned after the chaste union of Mary and Joseph spiritual marriage upheld Christian doctrine as a spontaneous practice however it aroused the suspicion of the very church authorities who extolled its virtues Through this union women could achieve a measure of spiritual and physical autonomy which threatened not only their husbands authority but also that of the clergy Elliott shows how spiritual marriage could be manipulated by male dominated institutions as well it enabled early medieval kings to mask their unilateral repudiation of infertile wives the church to establish the roots of a ritually pure priesthood and the late medieval clergy to underline female submission to patriarchal authorities Far from being a curiosity peripheral to the study of Christian sexuality spiritual marriage emerges as far reaching in its implications and long lasting in its influences

Deliverance From Evil Spiritual Marriages Godspower Elishason,2015-02-09 It is abundantly clear that many are suffering from what they know not They beat about the bush to unravel the causes of their misfortunes Their search being misdirected leads them deeper down the dark tunnels of sorrow Many are suffering by reason of their own errors and disobedience Some are ensnared for partaking of accursed booties Still others suffer from ignorance or by association with cursed lineage and family background In short the reasons why people suffer are numerous But bless God that by divine destiny you are here to get a copy of my book that will show you how you can avoid the path of misery Or if you are already ensnared how you can obtain your total deliverance and put a permanent end to the recurring decimal of woes in your life This book on Deliverance From Evil Spiritual Marriage will show you practical guide lines on how to walk out of your troubles This book will surely transform your life Amen This is your hour of liberty The Lord desires us to look deeply about the issue of evil spiritual marriages Because this is one area where a lot of people are suffering without any tangible explanation This has kept a lot of people in a state of confusion and uncertainty The truth you need to know is that the supernatural world is as real as the physical world Whatever happens in the spirit world affects us in the physical realm in our day to day life The spirit is more powerful than the physical Whether you are ignorant of it is not an excuse after all there is a saying that goes that the ignorance of the law is not an excuse A lot are just beating about the bush without knowing the cause of their calamities and misfortunes The key to unraveling this hidden mystery in our lives is to go to our root that's our foundation Because your present problem may have a demonic spiritual undertone If you must live a successful prosperous life then we must deal with some curses hidden

covenants and breaking some demonic linkages From personal discovery as per my experience in the deliverance ministry I have discovered that out every ten people in the street most especially females seven are involved in one form of evil spiritual marriages or the other Beloved evil spiritual marriage is so complex and discomforting but with God there is a way out So friends let us journey together into the realm of the supernatural to unravel this mystery of iniquity So through this book we are going to address how you can be thoroughly get total freedom
