Martin, 2012-10-04 The future welfare of both Church and state depends chiefly on the manner in which the rising generation is brought up for if all parents were to give their children a good religious training the future prosperity of both Church and state would be assured because a good religious training will make children good Christians and as experience proves good Christians are always good citizens In our Popular Instructions on Marriage we have briefly outlined the duties of parents in the bringing up of their children In this little work we enter more fully into details and clearly point out almost step by step the manner in which Christian parents should bring up their children from birth to the time when they embrace that state of life for which God has destined them may this little book prove useful in directing and assisting parents in the proper performance of the noble but difficult task of making their children exemplary Christians and virtuous citizens Little Way of Spiritual Childhood Martin Gabriel, 1901 The "Little Way" of Spiritual Childhood According to the Life and Writings of Saint Therese de L'Enfant Jesus G.
