Spiritual Spheres:

The Universal Over-presence and the Spiritual Spheres Charles H. Betts, 1911 *The Joseph Communications*
Michael G. Reccia, 2011-06-30 Your Life After Death The book that answers life's BIGGEST QUESTION what happens to me when I die According to Joseph the ancient highly evolved spirit who has lived in an enlightened sphere of reality beyond the veil for thousands of years there are countless opportunities and wonders awaiting you beyond physical death Communicated through respected trance medium Michael G Reccia this unique book is arguably the most comprehensive account ever written of what lies ahead for you when you leave this world behind Whether you're a spiritual seeker or simply curious as to what comes next this definitive guide to the afterlife will answer all your questions and be an essential source of comfort and inspiration read it and you'll never look at the next life or indeed this one in quite the same way again Joseph Some of the concepts we will talk about are frightening and they should be in the public knowledge some of them are uplifting and take souls to places beyond physical description in terms of beauty and love and ecstasy The book will give people a better grounding on the subject of death and the afterlife than has been given before in many books **Letters to a Man of the**

World Disposed to Believe J. E. Le Boys des Guays, 1849 It Just Makes Sense Kym Coco, Stephen Thompson, 2020-12-31
Life today is often portrayed by a bigger better and faster motto While the constant access to people and information can create endless opportunities it can be accompanied by an increase or overload of stress And when we're stressed we lose sight of common sense solutions Full of enlightening information useful exercises and personal stories It Just Makes Sense will show you how to create clarity purpose and harmony in all aspects of your life Gain confidence in your decision making Support your relationships with clear communication Maximize your energy in your daily routine Learn how the power of common sense can support your goals and allow you to create a joyful meaningful life *The Spirit Messenger*, 1850

call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits
