history of the Jewish nation They don t understand what is truly at stake in the Middle East conflict and why Christians need to do more than just pray for the peace of Jerusalem They don t know the role they ve been called to play in relationship with Israel and they aren t sure how God feels about Israel today either As Hagee guides readers through the scriptures that explain why Christians need to stand with Israel and the Jews today with as much fervor as God does they will encounter a man deeply passionate about loving this historic people of God They ll be inspired to take up that same mantle of love and play a part in extending acceptance and favor to the people of Israel just as God has called them to do

Scott A J Johnson, 2016-09-19 Ideas abound as to why certain complex societies collapsed in the past including environmental change subsistence failure fluctuating social structure and lack of adaptability *Why Did Ancient Civilizations Fail* evaluates the current theories in this important topic and discusses why they offer only partial explanations of the failure of past civilizations This engaging book offers a new theory of collapse that of social hubris Through an examination of Mesopotamian Egyptian Roman Maya Inca and Aztec societies Johnson persuasively argues that hubris blinded many ancient peoples to evidence that would have allowed them to adapt and he further considers how this has implications for contemporary societies Comprehensive and well written this volume serves as an ideal text for undergraduate courses on ancient complex societies as well as appealing to the scholar interested in societal collapse
