Split Infinity Apprentice Adept Paperback:

Split Infinity Piers Anthony, 2012-02-14 On the technological decadent world of Proton someone was trying to destroy Stile serf and master Gamesman His only escape lay through a mysterious curtain revealed by a loving robot Beyond the curtain lay Phaze a world totally ruled by magic There his first encounter was with an amulet that turned into a demon determined to choke him to death And there he soon learned his alternate self had already been murdered by sorcery and he was due to be the next victim Know thyself the infallible Oracle told him But first he must save himself as he shuttled between worlds On Proton his fate depended on winning the great Games On Phaze he could survive only by mastering magic And if he used any magic at all the werewolf and the unicorn who were his only friends were determined to kill him at once

Blue Adept Piers Anthony, 2009-06-03 In this brilliant continuation of the epic adventure that began in Split Infinity Piers Anthony again proves himself a master of both fantasy and science fiction For Stile life was a matter of shuttling madly between two worlds with the problems growing greater on each On the science world of Proton he was a serf trying to prove his right to exist by competing in the Great Games On Phaze where only magic worked he was the Blue Adept trying to master the powers of sorcery And on both worlds someone was trying to assassinate him Aside from winning increasingly difficult contests with no time to prepare all he had to do was win the love of the Lady Blue fight a dragon discover the ultimate weapon and of course seek the paranoid Adept or the all powerful Citizen who was trying to kill him And now just when things were growing impossible he had to fight a mortal duel with the unicorn Herd Leader against whom his magic powers were useless

Castle Roogna Piers Anthony, 2002-03-26 Once upon a past Millie had been a ghost for 800 years But now restored by the magic of Xanth she was again a maddeningly desirable woman She could have had any man she wanted except the one she did want Jonathan the zombie To grant Millie her desire and to prove his right to rule Xanth in the future young Magician Dor embarked on a quest for the elixir which would restore Jonathan to full life But the potion could be found only in the past so through a magic tapestry to the past he went taking over the body of a barbarian warrior The first person he encountered there was Jumper a giant spider a nightmare monster but a staunch friend and much needed ally in peril haunted ancient Xanth Then Dor met Millie 800 years younger but just as lovely And he realized that in his new body he was no longer twelve years old

Juxtaposition Piers Anthony, 2012-02-14 In this brilliantly satisfying conclusion to the epic adventure begun in Split Infinity and continued in Blue Adept Piers Anthony again proves himself a consummate master of both science fiction and fantasy Stile had problems two whole worlds of problems in fact On Proton a world of future science his murder was averted only by the help of a lovely robot who sent him through an invisible curtain to Phaze an alternate world ruled by magic There he found he was the double of the sorcerer the Blue Adept who had been mysteriously murdered And the assassin was after Stile To survive Stile had to master magic fight a dragon win the friendship of a lady unicorn locate his enemy among the paranoid Adepts and return out of Phaze to win the Great Games on Proton After that he

was ready to face the real problems The infallible Oracle was suddenly involved in the conspiracy against him The two worlds were out of balance and heading for disaster Stile was somehow supposed to take over the job of saving them or go down to total destruction with all he loved he had to act and act quickly with no idea of what he was supposed to do *Bearing an Hourglass* Piers Anthony, 2012-02-14 Like *On a Pale Horse* this second complete in itself novel of the Incarnations of Immortality is a richly imagined and always fascinating story And again Piers Anthony adds to his gripping plot a serious though provoking study of good and evil When life seemed pointless to Norton he accepted the position as the Incarnation of Time even though it meant living backward from present to past The other seemingly all powerful Incarnates of Immortality Death Fate War and Nature made him welcome Even Satan greeted him with gifts But he soon discovered that the gifts were cunning traps While he had been distracted he had become enmeshed in a complex scheme of the Evil One to destroy all that was good In the end armed with only the Hourglass Norton was forced to confront the immense power of Satan directly And though Satan banished him to Hell he was resolved to fight on

On a Pale Horse Piers Anthony, 2012-02-14 In this first novel of the Incarnations of Immortality Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death This is a novel that will long linger in the reader's mind Shooting Death was a mistake as Zane soon discovered For the man who killed the Incarnation of Death was immediately forced to assume the vacant position Thereafter he must speed over the world riding his pale horse and ending the lives of others Zane was forced to accept his unwelcome task despite the rules that seemed woefully unfair But then he found himself being drawn into an evil plot of Satan Already the prince of Evil was forging a trap in which Zane must act to destroy Luna the woman he loved He could see only one possible way to defeat the Father of Lies It was unthinkable but he had no other solution

Wielding a Red Sword Piers Anthony, 2012-02-15 Here in a fourth complete in itself novel of the Incarnations of Immortality Piers Anthony again combines fascinating magic with a gripping complex struggle between good and evil Mym was a dutiful son but his father the Rajah interfered in his love life once too often Rather than wed without love he took up the Red Sword symbol of office of the Incarnation of War At first he thought his efforts could ameliorate some of the suffering caused by Earth's constant petty wars But he found that behind all his involvement were the clever traps of Satan When seeming mischance placed him in Hell Mym organized a great rebellion among the Damned And Satan seemed to capitulate But free again Mym learned that Satan had been busy stirring up riots and war Now it seemed things had gone too far and Satan must surely win There was only one desperate chance

Being a Green Mother Piers Anthony, 2012-02-14 Orb had a rare gift the magic which manifested whenever she sang or played her harp No one could resist her music But she knew that greater magic lay in the Llano the mystic music that controlled all things The quest for the Llano occupied Orb's life Until she met Natasha handsome and charming and an even finer musician But her mother Niobe came as an Aspect of Fire with the news that Orb had been chosen for the role of Incarnation of Nature The Green Mother But she also warned of a prophecy

that Orb was to marry Evil Could she be sure that Natasha was not really Satan the Master of Illusion laying a trap for her
