**The Bannockburn Spell** Nancy Adams, 2013-05 With the help of a bet a 800 year old marriage contract and a spell ex SBS soldier Will might just have enough in his arsenal to capture Meghan's heart Since arriving in Little Glen Scotland Meghan Kennedy's life has gotten decidedly more interesting She entered into a bet with hunky ex SBS soldier Will betting him that she would not fall in love with him She discovered an ancient marriage Contract specifically designed to join her family to Will's and to top it all off she learns that she had a spell cast on her 800 years before she was even born None of it mattered because she refused to make the same mistake twice Will's hard body and sexy grin didn't matter his beautiful hypnotic eyes didn't matter and it didn't matter that every time they kissed her body would call out for his as though denied his touch for hundreds of years Ex SBS soldier William Mackenzie is disciplined trained to be an efficient soldier and he takes the same approach with his business and life Then Meghan arrived with her fiery temper and hair to match and he knows she is lying about the reasons why she came to Little Glen he just doesn't care All he does care about is Meghan Her feisty temper bemuses him her beauty astounds him and her stubbornness annoys the hell out of him Lucky for him he doesn't know how to quit he can be just as stubborn and occasionally ruthless and he will use any means necessary to get her Of course the means at his disposal just happen to be a bet a marriage contract and an ancient spell but in the end Meghan belongs to him who was he to argue
